## ONTARIO SENIOR GRID TITLE PASSES TO BALMY BEACH

Varsity Twelve Beaten 15-12  
After Predominating in  
First Half.

### PENALTIES FACTOR

STANDING	L	F	A.
Balmby Beach	3	0	33
Varsity	2	0	41
Hamilton R. C.	2	2	31

Canadian Press Despatch.

Toronto, Nov. 10.—For the second time in three days a Varsity senior rugby team failed to retain a lead secured in the first half, and as a result Balmby Beach are certain champions of the senior O. R. F. U., although they still have a game to play, meeting last year's champion Hamilton Rowing club in Hamilton next Saturday in the final game of the season. At half-time the students were in front 6 to 3, and in the third period added six more points to the total, and at the start of the final quarter looked to be certain winners, but the Beachers staged a rally, scoring 12 points and emerging in front 15 to 12.

While the Beachers looked the better team until near the end of the third period, the game, unlike that of Saturday, was won by the better team, and the new champions deserved their victory. Penalties gave the Beach their chance and they took advantage of them, plunging for yards, four times in succession, to send Reeves over for a try, which was converted, and within five minutes of the end obtained the ball on a fumble by Stringer, who was injured in making a plunge, and he tried two plunges, but failed to make yards, and then Abbie Bisset, the veteran coach of the East Enders, who was playing quarter owing to whether having been taken out through injuries, pulled the play to the right, and the ball was snapped to Bisset, who was around the short end for 20 yards for the touch that gave the Beachers the lead. It was a smart play, well executed, and Bisset deserves great credit for seizing the opportunity. Before the game ended Hughes kicked for another point.

## FEAR WINNIPEG MEN VICTIMS OF STORM

Prominent Athlete and Companion Started On Hunting Trip—Missing 4 Days.

Canadian Press Despatch.

Winnipeg, Nov. 10.—All hope for the safety of Hans Webber, star Winnipeg athlete, and W. P. Smith, also of this city, lost the marshes at the south end of lake Winnipeg while on a hunting expedition, was abandoned tonight after a four-day search, participated in by scores of local hunters, members of the provincial police and expert guides of the district.

Today searchers found an overturned duckboat, fast frozen in the lake with snow drifted around it, and a cardboard box containing a loaf of bread. The searchers, led by scores of hunters and it is now feared that the men, caught in a sudden squall, were thrown in the lake and drowned.

In Manhattan 14 cases were reported. Some of the doctors say the hiccoughing is a symptom of influenza, and others assert that it is a purgative of sleeping sickness. Suggested remedies have ranged from hypnosis to doses of brandy and water.

## TROOPS RESTORE ORDER FOLLOWING RACE RIOTS

Associated Press Despatch.

Harrodsburg, Ky., Nov. 10.—After a night of disorder, quiet has been restored tonight in the construction camps that flank the site of the Dix river dam, a huge hydro-electric project under construction on the Dix river near here. Arrival of detachments of Kentucky national guardsmen brought to an end clashes between white construction workers and farmers on one side, and negro workers at the dam, which followed the slaying of Edward Winkle, 21, white worker, by a negro laborer Sunday night.

## GARDNER GIVEN JUDGES' DECISION

Elgin Regiment Show Opens Boxing Season in St. Thomas.

Special to The Advertiser.

St. Thomas, Nov. 10.—The Elgin Regiment staged its first boxing show this season at the armories tonight, featuring Pete Laing vs. Billy Booth and "Smiling" Gardner and Alf. Sandell of the Classic Club "Toronto." It was hoped to have found an opponent for Cy Pook, heavyweight champion, but last-minute efforts were unavailing. The three Toronto boxers who took part in the tournament met with an accident near Tillsonburg, and did not arrive in the city till after 10 o'clock, occasioning an hour's delay in the events. They had been on the road from 10 o'clock in the morning, and were chilled and out of spirits when they arrived.

The big event of the evening was between Pete Laing and Billy Booth of Toronto, who was fresh from two championship bouts in Toronto, was matched with Laing at the last moment, the good for Gardner, a little too good for Laing, who was a real good one round and a half. Booth spent the evening in the ring, and the second round Booth secured a technical K. O. Laing suffering from a dislocated thumb.

Special to The Advertiser.

Gardner and Sandell provided the snappiest bout of the evening, with action every minute. Gardner won the judges' decision. The first round was a draw, while the second went to Gardner. In the last round Gardner got in some heavy blows, but Gardner proved himself able to give with interest as well as take. The 16-ounce bout was a real slugfest, with the Charlie Bear of London receiving the decision. Bear had an advantage in height and weight, and carried the fight throughout.

Of the remaining four, that between Harry Brebner and Bob Bailey, 126-pound class, both of St. Thomas, was perhaps the most important. Brebner, a lanky youth with a shock of red hair, was the aggressor, but Bailey proved a much quicker and more technical fighter, and secured a technical K. O. in the third round.

The officials were Referee, Lou Marsh, Toronto; and Jack Judson, Courtland, and Tom Cook, London. Out of the possible totals of 2,000 points, the various counties scored as follows: Wellington 2,488, Peel 2,279, York 2,258, York 2,226, Perth 2,222, Bruce 2,200, Hamilton 2,180, Durham 2,175, Brant 2,093, and Waterloo 2,075.

Individual scores: Beef cattle—Wilfred Gerrie, Belwood, Wellington, 190; Alvin Monk, Elmwood, Bruce, 183; Ernest Bradley, Markdale, Bruce, 181. Dairy cattle—Youngblood, Ridgeville, Wellington, 181; Earl H. Moore, Orton, Wellington, 183; Jack Frisby, Guelph, York, 171.

Swine—Fred McKie, Stratford, Perth, 137; Tom Lloyd Jones, Vernon, Brant, 133; Lloyd Jones, New Vernon, Brant, 130.

Competition in the students' inter-year judging contest, an open event, was won by the fourth year O. A. C. team, which piled up a score of 3,310 points; O. A. C. second year came second; third year, third, and first year, fourth. The contests were under the supervision of R. S. Duncanson, director of agricultural representatives.

The fact that the fair opened on the holiday this year assured a large attendance, the big buildings being crowded to capacity tonight.

**Student Results.**

**The Dairy Tests.**  
Holsteins showed their superiority over the Ayrshires, and Jerseys in the dairy test conducted in connection with the Ontario provincial winter fair, when they carried off the first three awards. The winners in the test, which concluded last night were announced tonight. The championship went to Springfield Adelaide Pontiac, a five-year-old cow, owned by T. H. Dent & Sons of Woodstock, with a milk yield of 183.8 pounds, and a butter fat test of 3.44 pounds in the three days. Haley & Lee of Springfield, Ont., took second with Belle Calamity Wayne, while A. E. Cornwall of Norwich, captured third place with Daisy Netherland Oxford.

An innovation in connection with the test this year was the judging of the 37 animals competing in the test as to conformation and type, the cow which won the test taking third in its class, Belle Calamity Wayne taking first, and Daisy Netherland Oxford falling to get in the prize money.

The result in the dairy test follows: 1. T. H. Dent & Sons, Woodstock, on Springfield Adelaide Pontiac, 183.8 pounds of milk and 3.44 pounds of butter fat; 2. Haley & Lee, Springfield, on Belle Calamity Wayne, 235.7 pounds of milk and 8.69 pounds butter fat; 3. A. E. Cornwall, Norwich, on

## Climbs Shafts and Stops Team

Canadian Press Despatch.

Hamilton, Nov. 10.—Stepping over the fence and onto the top of the shafts, Mrs. Glasco, wife of Dr. Gerald Glasco, pluckily halted a runaway team of horses today at Bay and Main streets after an automobile had crashed into the carriage, in which she and her mother, Mrs. A. Lucas, were riding.

The carriage was driven by David Haxton. An automobile driven by L. Reid of Orono, Ont., collided with the horse-drawn vehicle. Haxton was thrown to the pavement and rendered unconscious, and the horses set off at a mad gallop. Mrs. Glasco coolly stepped over the dashboard, gathered the reins and brought the team to a stop.

## Argentina Grows Cheaper Cotton

Associated Press Despatch.

Buenos Aires, Nov. 10.—The cost of producing cotton in Argentina is cheaper than in the United States, according to a report on the new cotton growing industry in Argentina by Ernest L. Tutt, the American cotton expert attached to the Argentine ministry of agriculture. The cost for each pound last year in the United States was 25 cents, compared with about 18 cents in Argentina. The marketing expenses are higher in Argentina, but everything considered, Mr. Tutt believes that cotton growing to the individual ought to be more profitable here than in the United States.

husbandry department of the O.A.C. had a difficult task, as four of the entries were so evenly matched that he ordered the cows taken out of the arena and milked clean before he reached his final decision. Lowlands Bonheur Jewel, a cow of outstanding merit, was given second, and Haley & Lee's entry was awarded third.

Springbank Snowball, exhibited by T. H. Dent & Son, was the judge's choice for first place for Holstein cows under 48 months, and Mercedes Ormsby, the pick of Haley & Lee's Springfield herd, received the award in this class for Holstein heifers. R. H. Bull & Sons, Brantford, and E. W. Nesbit, won all the prizes in the Jersey classes.

**Market Cattle.**  
Great interest was evinced in the judging of the three classes of market cattle this afternoon, especially in the inter-county baby beef contest in which there were 25 entries.

The finest lot of beef cattle I have seen in any show ring for a good many years was the way Captain T. E. Robson, London, who, with George E. Rountree, acted as judge, commented on them.

A favorite, an added entry by Amos and Black of Moffatt, was awarded the red ribbon. Clifford Jones of Southwold took second, and Leslie Guardhouse of Weston third. A hefty Shorthorn, Roan Duke, owned by G. Bender & Son, Almu, was the best of the entries in the class for steers of 1,401 pounds and up, and the Manitoba Agricultural College led the field in a class of twenty in the lighter class up to 1,400 pounds.

The entry in Canadian-bred draught horses, mares and geldings was commented on by the judges, there being no less than nineteen fine animals in the ring at one time. Dr. T. H. Hassard, Toronto, and John M. Guardhouse, Weston, the judges after considerable deliberation placed George R. Cowies' Miliken entry first; William Murray Sons, St. Paul, second, and A. A. Lucas, Arthur third. The only other class of horses judged, Clydesdale stallions, failed in 1924, had eleven entries.

John Bryce of Arcola, Sask., had a splendid animal, "Conquest's Choice," the best of a fine lot. Brandon Brothers of Forest captured second and third ribbons.

The judging of poultry, seeds and bacon will be completed tonight.
