## Items of Special Interest to Men

REGULAR \$12.50 AND \$15.00 SUITS AND OVERCOATS ON SALE FRIDAY AT \$9.75

When we were considering these reductions the question was asked whether or not \$9.75 is too low a price to ask for the Suits and Overcoats, as many men will naturally think that quality in material and workmanship must have been sacrificed for low price. However, we are confident that the man who will inspect the garments will readily admit that even at the regular prices the garments are good value, and will make his selection without any hesitation. This is simply our way of moving all odd lines off our shelves. We are pressed for room and cannot afford space and cost of handling, and prefer to make an advertising event and move the goods in a short time.  
**Men's Suits**—These come in a variety of fancy worsteds and tweeds, in all the most popular shades and patterns. The tailoring is all that can possibly be expected in a suit to sell from \$15.00 and \$18.00, and the styles are the latest, including single and double-breasted models. Not one of these suits is worth less than \$12.50, while many are worth much more. See the windows or, better still, see the goods in the department. Your size is here, and you may as well save about one-third of the cost. Per suit **\$9.75**  
**Men's Overcoats**—Here are a lot of sample coats that are worth as much as \$20.00, also a good selection of cravenette and tweed coats from our regular stock. There is not a complete range of sizes in this lot—that's why we have made the reduction—but if you require a serviceable garment at a price that is far below the average, you will do well to inspect this lot. The chances are that your size is here, and the saving on the price is worth considering. Every garment is well up to our standard of quality. See them, and you will be satisfied. Per garment ..... **\$9.75**  
**Smoking Jackets and House Coats**—At a very small cost you can add materially to your comfort by purchasing one of these warm and comfortable garments. **Boys' Overcoats**—In cravenettes and tweeds, in sizes from 22 to 28. Having on hand a much larger stock than we can conveniently carry, we have determined to reduce the stock, even if we sacrifice the whole of our profits. These garments are all splendidly tailored, and range in value from \$5.75 up to \$6.75. All to be sold on Friday, each **\$4.75**
