Killed Her Child at Order of Brute

Pitiful Story of Mary Dolan, Sentenced to Hang—McNulty; Father of Child, Who Treated Her Brutally, To Hang Also.

Toronto, Saturday—Mary Dolan and Thomas McNulty were sentenced at the Barrie assizes Friday to be hanged on Wednesday Dec. 14th, for the murder of their illegitimate child.

Barrie, Friday—Probably never in the history of Canadian courts has a more pitiful story been unfolded than was brought out today during the trial of Mary Dolan,

charged with the murder of her infant child. Although the jury returned a verdict of murder against her, it was accompanied by a strong recommendation to mercy, which Justice Britton said would be respected.

Several times the prisoner broke down, and once she sobbed aloud: "My heart is broken." The painful impression in the court was intensified by the fainting of Constable Wright in the witness box.

Terrible Explosion In Los Angeles

More Than \$100,000 Reward Offered For Capture and Conviction of Those Who May Have Blown it up With Dynamite.

Los Angeles, Oct. 2.—A large force of workmen, after digging for thirty hours into debris of the Times building, wrecked by an explosion Saturday morning, have unearthed five of the nineteen bodies buried in the ruins. The men are still at work aided by a huge railway crane and derrick, which is lifting out the masses of heavy steel.

In the meantime the police are guarding the home of General Harrison Gray Otis, proprietor of the Times, and that of General Manager Harry G. Chandler. Guards are also watching over the plants of several concerns recently involved in strikes. Three arrests have been made since the explosion. One of the suspects is an alleged anarchist, Martin Egan. In the hope of obtaining information as to the perpetrator of the outrage Mayor Alexander increased the city's offer of reward yesterday to \$100,000. The County today voted \$45,000 for every man captured and convicted.

BIG REWARDS

This, together with the offers of local newspapers and labor organizations, whose leaders have announced a determination to assist in the search for the criminals, raises the total amount of rewards to over \$100,000.00.

The city's offer is intended to tempt any one having knowledge of a dynamite conspiracy to divulge the secret. There are no conditions.

Mrs. Churchill Harvey Elder wife of the night editor, who died of his butts and injuries Sunday, arrived here from San Francisco and shortly afterward collapsed from the strain under which she had labored since learning of the catastrophe. She is in a serious condition.

John Howard, jr., son of one of the linotype operators, whose body is believed to be in the ruins, also collapsed. Since the explosion he had been watching the ruins and waiting for the shovel men to work their way to the body.

The inquest will be held Tuesday. At that time the committee of dynamite experts and engineers appointed by Chief of Police Galloway to investigate the wreckage in an effort to learn the character of the explosive used will report their findings. Little in the way of evidence that might lead to the discovery of clues has been found. Detectives have spent hours investigating at the home of F. J. Zeehandelaar, secretary of the Merchants' and Manufacturers' Association, near whose home a bomb was found, but nothing tangible has been discovered.

Roosevelt Gets Cheap Trips

Tours of Roosevelt Charged to Advertising; Protest Made By One of the Stockholders Who Objects to Such Doings.

Philadelphia, Pa., Sept. 26.—In spite of the public agitation that has been going on for years, headed by the trust-busting Roosevelt "to curb the trusts" and eliminate "corrupt political practices," it now develops, in a letter from John H. Devine of Philadelphia to President James McCrea of the Pennsylvania railroad, that Theodore Roosevelt himself was the largest recipient of railroad passes from the Pennsylvania railroad.

The letter is from a stockholder to the president of the Pennsylvania railroad, requesting explicit information concerning certain semi-official rumors that the railroad has an unpaid account against Theodore Roosevelt amounting to \$100,000.

FOR PRIVATE USE

This unpaid account is for special trains which were furnished for President Roosevelt's hunts, for his social engagements, his home goings and comings, and for the transportation of his friends, his servants, his horses and goods.

OFFICIAL COURTESY

The officials of the Pennsylvania do not admit that Mr. Roosevelt owes the corporation anything. Transportation was furnished as a matter of course without any expectation of payment. The letter of Mr. Devine is as follows:

TEDDY OWES \$100,000

Philadelphia, Pa., Sept. 22, 1910.—Mr. James McCrea, president Pennsylvania Railroad company Philadelphia. Dear sir:

"As a stockholder of the Pennsylvania railroad I have been greatly surprised to learn there is an account, long overdue, for transportation furnished by it to Theodore Roosevelt. It is a matter of quite general knowledge so I learn, that this account to more than \$100,000.

"Whether the person owing such account be a president or a former president, or whoever he may be, the interests of the Pennsylvania railroad it seems to me, demand that there be a settlement. Will you advise me if I am correctly informed, and if so, is there any reason why this debt should not be paid?"

"Will you also kindly inform me what steps have been taken, if any, in behalf of the company to collect the amount due and what prospect there is, if any, of its settlement?"

"Very truly yours—John H. DEVINE"

The Southern railroad's "advertising account" against Theodore Roosevelt is said to be \$60,000. The New York, New Haven & Hartford railroad and the Northern and Union Pacific also were generously patronized. These advertising accounts enter into the "increased cost of maintenance" upon which the railroads base their plea for a general increase in freight rates all over the country, before the Interstate Commerce Commission which is now hearing the evidence both in New York and Chicago, trying to determine the justice and reasonableness of these increases.

WOMAN'S HEALTH WHEN FORTY-FIVE

A Critical Period When Dr. Williams' Pink Pills are a Real Blessing.

Dr. William's Pink Pills are absolutely the finest medicine that ever a woman took. At special periods a woman needs a medicine to regulate her blood supply or her life will be a round of pain and suffering. It is at such times that Dr. William's Pink Pills are worth their weight in gold, for they make new, rich blood, that banish the secret symptoms of distress that only women and growing girls know. They strengthen every vital organ for its special task, and bring rosy cheeks and shapely forms that tell of womanly health and happiness. Mrs. Richard Lobb, Red Deer, Alta., says: "At that critical period in my life known as the change I suffered so much that I hardly hoped to pull through I doctored for months, but did not get any relief, and I grew so weak that I could hardly walk about, and it was impossible for me to do my housework. Only women who have suffered similarly can tell how much I endured—the constant misery, the dragged out feeling and the terrible backaches that beset me. No woman could have been in a more wretched condition than I was at this time and it was then that my attention was directed to Dr. Williams' Pink Pills. I got a half dozen boxes and before I had used them all I felt like a new woman and was enjoying better health than I had done for years. Not only have Dr. Williams' Pink Pills proved a blessing to me, but they also worked a great change in the case of my daughter, who was in a very miserable condition after childbirth. I know also of two young girls who I believe would have been in their graves now but for the use of Dr. Williams' Pink Pills. Considering what they have done for me and what I have seen them do for others, I am justified in my enthusiasm for this medicine and I never lose an opportunity to recommend it."

Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

PRESENTATIONS

Last night the members of the W. C. T. U., the Methodist Women's Missionary Society, Sunday school and congregation, and other citizens, held a reception for Mr. and Mrs. Simon McLeod in the W. C. T. U. hall. A fine musical programme was rendered and supper was served. Addresses highly appreciative of Mr. and Mrs. McLeod's work in Newcastle the last eighteen years in behalf of religion and temperance, highly complimentary of their social and business record, and deploring their departure which is soon to the place, were tendered the guests of the evening by Mrs. John Walter Miller, on behalf of the W. C. T. U., by Mrs. A. B. Leard, for the W. M. S., by Supt. H. H. Stuart, on behalf of the Methodist Sunday school, Rev. W. J. for every occasion, with the Kootenay Steel Range, without "driving" the fire or wasting fuel. The generous firebox is built so that the water heats very rapidly as it passes through the water front, and gives a plentiful supply. One bath usually empties the boiler heated by an ordinary range with the result that the rest of the family must wait for more water to heat. Not so with the boiler attached to the water front of a

because the Kootenay never fails to heat as much water as is required and as fast as it is used. The nearest McClary Agent will make clear to you the reasons why you ought to own a Kootenay.
