Drummond and Angus Mclean, of the Edwards Lumber Company. It was pointed out that the Edwards Company intend to establish a large pulp and. paper mill at Bathurst while the Drummond interests are expecting to ship large quantities of iron ore from Bathurst harbor, and considerable development in Bathurst as a port is looked for very shortly.

shortly.

In view of this development considerable dredging is needed to improve the arbor.

The deputation was introduced by Hon. J. D. Hazen, Minister of Marine and Fisheries. It was given a sympathetic hearing by the Minister and it is expected the work will be undertaken.

Wrs. A. R. Tabor, of Crider, Mo., had been troubled with sick headache for about view years, when she began taking Chamberlain's Tablets. She has taken two bottles of them and they have cured her. Revision of Tariff Likely to Include Sweeping Away of Charges on Lumber

COMMITTEE CONSIDERS

Washington, Jan. 23-Free long and dressed lumber, hewn and squared timber, shingles, laths and fence posts, the retention of approximately the present high tariff on the higher grades of silks, and reductions in the cheaper silks used by the commor people, and penalizing, drastic tariff bar to shut out "dymanited" silk, were indicated today as parts of the expected Democratic revision plan.

The house committee on ways and means de roted the day to hearings on the wood and silk scheludes of the tariff law, and when the testimony and examinations were concluded favored the inclusion of these proviions, possibly together with free meats, in the tentative tariff plan, the committee will frame to submit duction in duty on the various im- New York it was 15 cents. CAN WRITE PHOTO PLAYS AND YOU EARN \$25. OR MORE WEEKLY

We will Show You How!

If you have ideas—if you can THINK—we will show you the ecrets of this fascinating new profession. Positively no experience or terary excellence necessary. No "flowery language" is wanted.

The demand for photoplays is practically unlimited. The big film manufaciurers are "moving heaving and eart?" in their attempts to get enough good plots to supply the ever increasing demand. They are of. fering \$100. and more, for sidgle scenarios, or written ideas.

Nearly all the big film companies, the buyers of photoplays, are lo. cated in or near New York City. Being right on the spot, and knowing at all times just what sort of plots are wanted by the producers our Sales Department has a tremendous advantage over agencies

We have received many letters from the big film manufacturers, such as Vitagraph, Edison, Essanay, Lubin, Solax, Imp, Rex, Re-liance, Ghampion, Comet, Melies, etc., urging us to send photo-plays to them. We want more writers and will gladly teach you the secret of success.

We are selling Photoplays written by people who "never before wrote a fine for publication."

Perhaps we can do the same for you. If you can think of only one good idea every week, and will write it out as directed by us, and it cells for only \$25., a low figure
