## TORTURED BY TERRIBLE ECZEMA

Suffered Three Years Until She Tried "FRUIT-A-TIVES"

DAME PETER LAMARRE

"I think it my duty to tell you how much your medicine has done for me. I suffered for three years with terrible Eczema. I consulted several doctors and they did not do me any good. Then, I used your 'Fruit-A-Tives' and my hands are now clear. The pain is gone and there has been no return. I think it is a marvelous cure because no other medicine did me any good and I tried all the remedies I ever heard of, without benefit until I used 'Fruit-A-Tives'."

"Fruit-A-Tives" cooled the blood and removed the cause of the disease, and 'Sootha-Salva' completed the cure."

DAME PETER LAMARRE (Gls.), 50c. a box, 6 for \$2.50, trial size 25c. At all dealers or sent postpaid by Fruit-A-Tives Limited, Ottawa, Ont.

## 2 YEARS OF WEALTH; THEN BACK TO POVERTY

The Experience of a German-American.

A painful struggle in abject destitution, two years in a mad whirl of affluence, then once more the black bread of poverty.

This is the story of Adolph Schwarzman, formerly a St. Paul resident, now living in Munich, Bavaria. A few years ago he was a plodder in St. Paul. With a painful effort he barely managed to support his family on the \$12 a week which friends say was his wage.

One day an attorney came and told him that through the death of a relative in Germany he was heir to \$75,000. Sudden possession of so large a sum changed the Schwarzman mode of life.

Memories of a drab, colorless life pressed wearily on him. All his experience had been a succession of suppressed desires and enervating work that seemed to bring not even comfort to him and his family. Then as he saw the bank draft with almost unbelievable eyes he resolved to throw discretion to the winds, live for the day and let life arrange whatever accounting there was to be.

All America could not confine the possibilities of his wealth, and while the balance still stood largely in his credit he went to Europe. Then came the war.

A letter just received by Mrs. D. M. Furness, No. 229 North Oxford St., from Bella, the eldest of Schwarzman's daughters, says that the day of reckoning has come. Sometimes, the letter says, there are potatoes on the Schwarzman table, often there are not. The family has been living on black bread, and tea made from dried apple leaves.

Now the friends who remember Schwarzman when he drew \$12 on Saturday night are coming to his assistance. Mrs. Furness and others who knew the family are mailing an occasional package.

Back Numbers.  
Concerning college football teams, too off it comes to pass, the man who's halfback in the field is 'way back in his class.

## THICK, GLOSSY HAIR FREE FROM DANDRUFF

Girls! Try Ri Hair gets soft, fluffy and beautiful—get a small bottle of Danderine.

If you care for heavy hair that glimmers with beauty and is radiant with life, has an incomparable softness and is fluffy and lustrous, try Danderine. Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have nice heavy, healthy hair if you have dandruff. The destructive scalp robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots famish, loosen and die; the hair falls out fast. Surely get a small bottle of Danderine's Danderine from any drug store and just try it.
