ow the Manitoba Wave Affected All the Animals.

A reporter visited the Zoo yesterday and and the animals impatient of the cold St. Andrew's hall and delivered a thrilling eather. The monkeys were huddled gether in a corner with their arms ound one another to keep themselves arm. Occasionally one of them would ound up his ladder, perform some marvelas gymnastic feats, ring his bell exultally and return in triumph to the group ith his pulse accelerated by thirty beats the minute. The old lion with a farith his pulse accelerated by thirty beats the minute. The old lion with a far-way look in his eyes was gazing mournfully

A College of Pharmacy. The Queen's park is surely becoming the centre of education for the province. The Ontario college of pharmacy feels that it must get up in the park, and it has now a bill before the legislature which: for a roll in the hot sands, bif !" The big baboon in the high cage roared at every-body who came in, "Shut the door, can't you.!" while the bob-tailed ape yelled, "Were you brought up in a barn?" The bears however enjoyed the cold hugely. Two of them were wrestling catch-as-catch-can style, while another was alternately 'tanding on his head and then on one leg. In spite of the long severe winter the ani-mals look remarkably well, and will look much better when the warm weather

THE NEWS OF PARKDALE.

What is Being Said and Done in the Flowery Suburb.

A new local paper will issue its first number this week. Robbers of hen roosts have been operat-

ing in the village recently. A recent sale of land on Sorowen avenue brought \$14 per foot frontage.

Six stores and a dozen dwelling hou are at present in course of erection in the

The talk of the street is that a vote will be taken on the question of grocers' licenses at the next municipal election.

Rev. W. A. Hunter, of the presbyterian church, has received a call from the Orangeup before the Toronto presbytery at its land. They ought to be there more than meeting to-day.

F. S. Spence gave a lecture in the town hall last night on the subject, "Does Pro-hibition Prohibit." Several selections of music were performed by member Hope of Parkdale lodge, I.O.G.T. mbers of the

The building committee of the presby-terian church have called for tenders for terian church have called for tenders for the proposed enlargement of the church. About two-thirds of the money required for the enlargement has been subscribed, while a large number of the congregation have not yet sent in their subscriptions. It is expected that the entire cost of the addition to the building will be subscribed before the work is commenced.

John R. Clark was in his boyhood a poot-black on the streets of London. Last

night with a reputation as a great orator he stood before an enormous audience in St. Andrew's hall and delivered a thriling lecture on scenes in his native city. The lecture was under the auspices of the To-ronto reformation society, Mr. Farley pre-siding. Mr. Clark is a rapid speaker, gesticulates violently and though an Eng-lishman has the spread eagle style of deliv-ery. He is an earnest temperance advo-cate, and his lecture last night made a deen impression. A silver collection was particular

Binocular Glasses for Saving Life.

At the meeting of the city council last night Mayor Boswell presented valuable binocular glasses to Captains W. D. Anbinocular glasses to Captains W. D. An-drews and Wm. Ward, and J. D. Patry, aged 19, for their gallant rescue of Prof. Schlochow during the great storm of July 27 last in Toronto bay. The glasses were sent to the mayor from the department of marine and fisheries. In his reply Capt. Andrews recommended that the council procure a light cedar skiff to be used in connection with the life.saving corns at Andrews recommended that the control of the second state of the second state of the second state of the second states the second states

Baths at the West End.

The Telegram thinks there ought not to The Telegram thinks there ought not to be public baths at the west end of the Is-land. They ought to be there more than at any other point. It is nearest to the city, is most accessible, and can be made in every way the most convenient. The city council ought to grant to the company who have asked for the privilege of erect-ing public baths there everything that is reasonable and that does not clash with the interest of the citizens. It may prove to be a source of profit to the company, but with proper restrictions imposed by the city it will be a source of still greater con-venience to the public.

The Dominion License Act.

The dominion license commissioners for he city of Toronto held a meeting vesterlay and arranged for the inspection of the LOCAL NEWS PARAGRAPHED. The court of appeal will sit to-day.
