"It's not Lord Crawford, but Lord Boyd,  
Of grace and manners he is void—  
Just like a bull among the rye,  
Cries "Baugh!" at folks as he goes by."  
The wager was of course won.

#### Provincial Exhibition at Toronto, 22nd to 26th September, 1862.

In our last issue we were unable to announce decisively the exact days on which the Provincial Exhibition would take place this year, in consequence of it having been discovered that the days which had been chosen by the Board were the same as those selected by the New York State Society for their show at Rochester this year. As it was, of course, desirable to avoid a collision of dates if possible, some correspondence, as stated in our last, took place with a view to a satisfactory arrangement.

As it appears from the correspondence that the New York Society had published their list, and made various arrangements which would render it exceedingly difficult to change their days, the Upper Canada Board of Agriculture, after full consideration of the subject, decided that our Show should take place one week earlier than first intended, viz., during the week, commencing on Monday, September 22nd. The Exhibition will accordingly be held at Toronto, this year, on the days above stated: 22nd, 23rd, 24th, 25th and 26th September. It would be seen in our last that the rules or regulations, connected with the Exhibition have been remodelled and amended, and some new prizes offered. We shall have some remarks to offer on these points on another occasion.
