

SPECIAL DIAMOND JUBILEE CLUB OFFERS.

We want each reader to send us one of the clubs below.

If each reader accomplished this, and we are sure it is possible to almost everyone—then our publications would have the largest circulation of any in the Dominion, and we would make a number of improvements without delay—improvements that each reader would immediately recognize and appreciate.

Four Subscriptions to the 'Northern Messenger,' separately addressed, worth \$1.60, for only	\$1.00,	three of whom must be new subscribers.
One Subscription each to the 'Northern Messenger' and 'Daily Witness,'	worth \$3.40, for only	\$3.10
" " " " " " " " " 'Weekly'	" \$1.40	" \$1.20
" " " " " " " " " 'World Wide,'	" \$1.90	" \$1.75
" " " " " 'World Wide,' 'Weekly Witness' and 'Northern Messenger,'	" \$2.90	" \$2.20

SAMPLES FREE—Agents and Club Raisers will get further information and samples on application.

NOTE.—These rates will be subject to our usual postal regulations, as follows:—POSTAGE INCLUDED for Canada (Montreal and suburbs excepted), Newfoundland, Great Britain, Gibraltar, Malta, New Zealand, Transvaal, Barbadoes, Jamaica, Trinidad, Bahama Islands, Bermuda, British Honduras, Ceylon, Gambia, Sarawak, Zanzibar, Hongkong, Cyprus; also to the United States, Hawaiian Islands and Philippine Islands. POSTAGE EXTRA to all countries not named in the foregoing list, as follows: 'Daily Witness,' \$3.50 extra; 'Weekly Witness,' \$1 extra; 'Northern Messenger,' 50c extra; 'World Wide,' subscription price, including postage to foreign countries, only \$1.50.

Note—Subscribers getting up clubs are entitled to charge full subscription rates from new subscribers and to retain the difference between these and the above club rate to cover their expenses.

Note—One's own subscription does not count in this offer because it does not require canvassing.

Note—Those working for other premiums will not benefit by these offers.

Note—To stimulate further effort, and as some will find it easy to get more than three or four subscribers, we will in addition to the foregoing remarkable offers, commencing November 15th, 1905, and until further notice, award each day to the subscriber sending us in the largest amount of subscription money for our various publications on that day.

OUR RED LETTER COLORED PLATE ILLUSTRATED BIBLE

These Bibles would appear to be good value at four dollars each

If there should happen to be a tie for the largest amount in any given day the premium will be awarded to the one farthest away, because his remittance will have been mailed earlier than the other.

NOTE.—Sunday-School Clubs for the 'Messenger' will not count under this offer because they are not secured individually; because usually no one in particular is properly entitled to the premium; and because they are generally large, and to include them would only discourage those working up small individual lists. Neither will remittances count from news agents, from publishers, or from any one who is not a subscriber to one of our publications.

Those who prefer, instead of working on the basis of the above Club offers, may take subscriptions for any of our publications at the full rates, and we will allow a commission of twenty-five percent (one quarter) on renewal subscriptions and fifty percent (one half) on new subscriptions. But these terms are only available for those sending Five dollars or more at a time.

NOTE.—New subscribers are people who have not been readers of our publications, or who have not for at least two years lived in homes where they have been taken.

'It Seems a Pity.'

It's such a very little while
That any stays
It seems a pity not to smile
Through all the days.
At best our joys are all so brief
It seems too bad
That anyone will borrow grief
Who might be glad.
So many with small aid, O friend,
Might rise and stand,
It seems a pity not to lend
A helping hand.

Finical Appetites.

A duty which every mother owes to herself and to society is to train her child to follow the doctrine of St. Paul and 'eat what is set before him.' How disagreeable is the finical, notional eater many a housekeeper will testify. One man makes miserable the woman at whose house he chances to visit by his inability to eat half of the dishes that are set before him. It is not that certain viands disagree with him, but simply that he does 'not care for them.' Such are tomatoes, raw or cooked, fish in any form, potatoes (unless they are mashed), fruits of all kinds, except peaches, and hot puddings of every variety. Another man cannot eat soups, while a third woman never tastes a salad. The trouble with all these people undoubtedly originated in their early training. In too many families the small people are allowed to declare that they don't like this and 'won't eat that,' and are humored in their whims. Indeed, it is no uncommon thing to hear a mother speak with ill-concealed pride of the fastidious appetites of her children. In treating their whims as matters of importance she is laying on her own shoulders a heavy burden, under which she may some day mean that 'it is impossible to suit her family, try as she may.'
