No other Bicycle is known so well nor so highly spoken of as the RUDGE. x x x x

You may think you have comfort and ease, not to mention security, on another machine; but you do not know what luxurious cycling is until you try your friend's Rudge. x x x x x x x

Then you must have one. The Rudge is the only Wheel in Canada with the Garford Saddle on it; and this is the only sensible Saddle to use on Canadian roads. x x x x x x x
