THE MERCHANTS' PROTECTIVE UNION
MERCANTILE REFERENCE REGISTER.

THE MERCHANTS' PROTECTIVE UNION, organized to promote and protect trade, by enabling its subscribers to attain facility and safety in the granting of credits, and the recovery of claims at all points, have to announce that they will, in September, 1863, publish in one large quarto volume:

The **MERCHANTS' PROTECTIVE UNION MERCANTILE REFERENCE REGISTER,** containing, among other things, the Names; Nature of Business, Amount of Capital, Financial Standing, and Rating as to Credit, of over 400,000 of the principal merchants, traders, bankers, manufacturers, and public companies, in more than 30,000 of the cities, towns, villages, and settlements throughout the United States, their territories, and the British Provinces of North America; and embracing the most important information attainable and necessary to enable the merchant to ascertain at a glance the Capital, Character, and Degree of Credit of each of his customers as are deemed worthy of any gradation of credit, comprising, also, a *Newspaper Directory,* containing the title, character, price, and place of publication, with full particulars relative to each journal, being a complete guide to the press of every county in the United States.

The reports and information will be confined to those deemed worthy of some line of credit; and as the same will be based, so far as practicable, upon the written statements of the parties themselves, revised and corrected by well-known and reliable legal correspondents, whose character will prove a guarantee of the correctness of the information furnished by them. It is believed that the reports will prove more truthful and complete, and, therefore, superior to, and of much greater value, than any previously issued.

By the aid of the Mercantile Reference Register, business men will be able to ascertain, at a glance, the capital and gradation of credit, as compared with financial worth, of nearly every merchant, manufacturer, trader, and banker, within the above-named territorial limits.

On or about the first of each month, subscribers will also receive the *Monthly Chronicle,* containing among other things, a record of such important changes in the name and condition of firms, throughout the country, as may occur subsequent to the publication of each half-yearly volume of the Mercantile Reference Register.

Price of the Merchants' Union Mercantile Reference Register, fifty dollars (\$50.) for which it will be forwarded to any address in the United States, transportation paid.

Holders of five \$10 shares of the Capital Stock, in addition to participating in the profits, will receive one copy of the Mercantile Reference Register free of charge, holders of ten shares will be entitled to two copies; and no more than ten shares of Capital Stock will be allotted to any one applicant.

All remittances, orders, or communications relative to the book should be addressed to the Merchants' Protective Union, in the American Exchange Bank Building, No. 123 Broadway, (Box 255) New York.
