

Strangers and new comers feel at home with us.

What Concerns You.

The number of "Sacred Songs and Solos" in our vestry has been very much reduced, and we have not enough left for our Sunday School and Social Services. Many of these have in some manner found their way into our homes. Without any exceptions let us bring them back at once. They belong to the church and are greatly needed there.

The Culture Class has begun work. The lessons this winter are on "the Life and Teachings of Jesus." It is a most helpful course. To make the most of the lessons you ought to have "The Baptist Union." It can be secured for 50 cents for the period covering the Christian Culture Courses. Give your name to the President of the B. Y. P. U. If you have not secured the paper you are welcome to the class. It is open to all. The Christian Culture Courses are intended to build up our people in Bible and Christian knowledge. Are you taking advantage of this opportunity? The class meets every Monday Evening.

It is a most Hopeful Sign for our church that the Sunday School lesson is to be studied from 15 to 30 minutes at the close of Wednesday evening prayer service. Teachers in the Sunday School are thus prepared for the coming Sunday's classes. Adult members of the Church and Congregation have opportunity to talk over in an informal way the teachings of Scripture. Busy people can spare 30 minutes to build themselves up in the faith. The great weakness of professing Christians to-day is lack of knowledge of the Bible. Here is a splendid opportunity to learn. Come next Wednesday evening.
