LIVERPOOL WHEAT MARKET.

Liverpool, July 22.—Wheat closed unchanged to 3-8d lower.

INSURANCE NOTES.

R. Melvin, the president of the Ontario Mutual Life Insurance company, returned to Winnipeg this week, after making a trip through the province. Mr Melvin is in the west inspecting the Winnipeg and other agencies of his company, and expresses himself as greatly pleased with the situation here.

WINNIPEG CLOSING WHEAT.

The market was a little firmer to-day in sympathy with the moderate advance at Chicago, owing to reported prevalence of hot winds in the spring wheat states. No. 1 hard was quoted at 69c, Fort William at the close. Straight 1 hard sold at 69 1-2c, but would hardly bring this at the close.

LIVERPOOL CHEESE MARKET.

Liverpool, July 21.—Both white and colored cheese is quoted stronger at 43s.

Additional Tenders.

Tenders will be received by the Prince Albert board of works, up to noon, July 28th, for the construction of a sewer.

The Manitoba department of public works is calling for tenders, up to August 4, for a drain near Franklin. Excavation 90,000 cubic yards.

Tenders will be received up to five o'clock on Tuesday, July 25, for the construction, including the necessary material, of a school house at Hamiota. Man. Contractor to supply all material except stone.

The advance in matches east has not affected prices here.

Hog products have continued to advance at Chicago this week.

Mitchell & Dobbie, hotel, Pincher Creek, Alberta, are succeeded by John McDerson.

J. H. Ashdown, returned to the city yesterday, accompanied by his family, from a tour of some months in Europe.

The hay crop is about secured throughout Ontario. The average yield will be one and a half to two tons per acre, the former being more in evidence owing to the dry weather.

Charles T. Smith, and Frank Hart, of James McCready & Co., Montreal, wholesale shoe manufacturers, are making a western trip. Mr. Smith is president and Mr. Hart a member of the Montreal board of trade.

Burrows, Stewart & Milne, of Hamilton, Ont., say that the fire which occurred in their factory last week will not interfere with their stove business. The part of the buildings burned was the mounting shop, which will be rebuilt inside of two weeks. The large stock of stoves, furnaces and scales escaped the fire.

The August number of the Delineator is called the midsummer number, and presents a complete analysis by illustration and description, of all that is latest and most fashionable in the world of dress. The special articles of the magazine are characterized by a high literary tone, and the household, social and departmental discussions are on the usual distinctive plane of excellence.

"It," said the hen, as she surveyed the size-and-a-half egg she had just laid, "will take a pretty good halibut to equal that."

Even in the lower walks of nature there is ambition and emulation.—Indianapolis Journal.

Mr. Brown—So your sewing society is making up articles for the heathen Filipinos? What under heaven are you making for them?

Mrs. Brown—Well, we are making a combination article that can be used as a shirt, a flag of truce or a gun swab.—Puck.
