

ever you come within a mile of my house, you'll stay there all night. He it was who stood for the proper dimensions of the wine-bottle, and proposed to parliament that it should be made compulsory that every pint bottle should contain a quart. Very pleasant, and yet perfectly intelligible, was his meaning—though it unhappily took the fatal bovine shape—in his rebuke to the shoemaker when getting shoes for his gouty limbs: 'I told you to make one longer than the other, and instead of that you have made one smaller than the other—the opposite.'

Who is N. H. Downs?—He is, or, rather, was a public benefactor, a philanthropist. He is now dead, but he has left behind him a monument more lasting than brass or marble. His memory is enshrined in the hearts of grateful people, and his Balsamic Elixir is or ought to be a household treasure in every family. It is a certain cure for coughs and colds. TIME WILL TELL.—Yes, that is the sure test. That which does not appear plain to-day, may be thoroughly cleared up in a short time. Our certainties and uncertainties are all to be decided by time, which never fails to bring out the trust or falsity of any matter. For five years the Vermont Liniment has been before the public and their verdict has always been steadily in its favor. Use it for pains both internally and externally. It is warranted.

CONSTIPATION OF THE BOWELS.—How many of our citizens are suffering from this disease, and expecting to be cured by the use of violent purgatives, which debilitate the system, and cause a return of the disease with increased asperity? Is it not better to have a remedy that will cure, by giving strength and vigor to the bowels, enabling them to perform their functions in a natural manner? Such a remedy is 'HOOPLAND'S GERMAN BITTERS.' It will not purge you, but, by its great invigorating and tonic properties, will give your system a tone that will enable it to perform all its functions in a vigorous and natural manner. For sale by all druggists and dealers in medicine.

MURRAY & LANMAN'S FLORIDA WATER is rapidly tending to oblivion a host of toilet waters which have long been a disgrace to the dressing-room, and a nuisance to persons of refined taste. Less expensive than the Florida Cologne it is as pure, delicate and lasting a floral essence as that celebrated article while it possesses superior cosmetic properties. Gentlemen, whose skins resent the manipulation of the razor, can immediately mollify the irritation of the surface, by moistening the 'chin new reaped' with this balsamic, cooling and fragrant essence of tropical flowers.

N. H. DOWNS' VEGETABLE BALSAMIC ELIXIR.

A CERTIFICATE worth A MILLION.

An Old Physician's Testimony.

READ: Waterbury, Vt. Nov. 24, 1858. Although I do not like the practice of Physicians recommending, indiscriminately, the patent medicines of the day, yet after a trial of ten years, I am free to admit that there is one medicine before the public that any Physician can use in his practice, and recommend to the public with perfect confidence; that medicine is Rev. N. Downs' Vegetable Balsamic Elixir.

I have used it myself with the very best success, and now when ever I am troubled with a Cough or Cold, I invariably use it. I can cheerfully recommend it to all who are suffering from a Cough or Cold, for the Croup, Whooping-Cough, & all diseases tending to Consumption, and to the Profession as a reliable article. I am satisfied of its excellence beyond a doubt, having conversed personally with the Rev. N. H. Downs about it. He informed me of the principal ingredients of which the Elixir is composed, all of which are Purely Vegetable and perfectly safe.

Should always keep this Family Physician at hand; and by its timely use save hundreds of dollars that would otherwise be swallowed up in discharging Doctors' fees.

A GREAT TRIUMPH.

Read the following letter from one of our most respectable citizens:—

Messrs. Devins & Bolton, Druggists, Notre-Dame St., Montreal:—

Gentlemen,—Having suffered severely for four years from palpitation of the heart and frequent attacks of fever and ague, with loss of appetite and great pain after eating, attended with weakness and gradual wasting away of body, I was induced to try Bristol's Sarsaparilla, and found from the first bottle considerable relief, and before I had finished the sixth, found my maladies completely removed, my appetite good, and my body vigorous and strong. I feel my duty gratefully to acknowledge my cure, and to remark I had previously been under the first physicians in Toronto, Chicago, Cleveland, and Toledo, without receiving any permanent or even satisfactory relief.

Yours, gratefully, ALFRED TUCK, Soap and Candle Maker, Craig Street, Montreal. May 10, 1863.

WISTAR'S BALSAM

WILD CHERRY

Has been used for nearly HALF A CENTURY. With the most astonishing success in Curing Coughs, Colds, Hoarseness, Sore Throat, Influenza, Whooping Cough, Liver Complaint, Bronchitis, Difficulty of Breathing, Asthma, and every affection of THE THROAT, LUNGS AND CHEST, including even CONSUMPTION.

There is scarcely one individual in the community who wholly escapes, during a season, from some one, or even slightly developed, of the above symptoms—a neglect of which might lead to the last named, and most to be dreaded disease in the whole catalogue. The power of the medicinal gum of the Wild Cherry Tree over this class of complaints is well known; so great is the good it has performed, and so great the popularity it has acquired. In this preparation, besides the virtues of the Cherry, there are commingled with it other ingredients of like value, thus increasing its value ten fold, and forming a Remedy whose power to soothe to heal, to relieve, and to cure disease, exists in no other medicine yet discovered.

CERTIFICATE FROM L. J. RACINE, Esq., of the Minerva:— Montreal, C. E., Oct. 29, 1858. S. W. Fowle & Co., Boston—Gentlemen.—Having experienced the most gratifying results from the use of Dr. Wistar's Balsam of Wild Cherry, I am induced to express the great confidence which I have in its efficacy. For nine months I was most cruelly affected with a severe and obstinate cough, accompanied with acute pain in the side, which did not leave me, summer or winter. In October the symptoms increased alarmingly, and so reduced was I that I could walk but a few steps without resting to recover from the pain and fatigue which so slight an exertion occasioned. At this juncture I commenced taking the Balsam, from which I found immediate relief, and after having used four bottles I was completely restored to health. I have used the Balsam in my family and administered it to my children with the happiest results. I am sure that such Canadians as use the Balsam can but speak in its favor. It is a preparation which has only to be tried to be acknowledged as the remedy *par excellence*.

Your obedient servant, L. J. RACINE. CURE FOR WHOOPING COUGH. St. Hyacinthe, C. E., Aug. 21, 1856. Messrs. Seth W. Fowle & Co., Gentlemen.—Several months since a little daughter of mine, ten years of age, was taken with Whooping Cough in a very aggravated form, and nothing we could do for her seemed in any way to relieve her suffering. We at length decided to try a bottle of your Dr. Wistar's Balsam of Wild Cherry. In three hours after she had commenced using it, she was greatly relieved, and in less than three days was entirely cured, and is now well. I have since recommended the Balsam to many of my neighbors, who have used it, and in no case have I known it fail of effecting a speedy cure.

You are at liberty to make any use of the above you think proper. If it shall induce any body to use your Balsam I shall be glad, for I have great confidence in it.—Yours, P. GUILTE, Proprietor of the Courier de St. Hyacinthe. CERTIFICATE FROM A WELL-KNOWN CITIZEN OF CORNWALL. Cornwall, C. W., Dec. 29, 1859. Messrs. S. W. Fowle & Co., Boston—Gentlemen.—Having experienced the beneficial results of Dr. Wistar's Balsam of Wild Cherry, in my own person and with other members of my family, in cases of severe coughs and colds, I unhesitatingly give you my testimony, believing it to be the remedy *par excellence* for all diseases of the throat and chest, and would sincerely recommend it as such.—Yours, &c., JOS. TANNER.

FROM A HIGHLY RESPECTED MERCHANT AT PHESCOTT, C. W. I with pleasure assert that Dr. Wistar's Balsam of Wild Cherry, is, in my belief, the best remedy before the public for coughs and pulmonary complaints. Having tested the article with myself and family, in cases of severe coughs and colds, for years, with uniform and unexceptionable success, I unhesitatingly recommend it with full confidence in its merits.
