Integrity mustibe the architect, and tidiness the apholsterer: It must be warmed by affection and lighted up with sheerfalne.s. ## WHO IS MRS. WINSLOW!

As this question is frequently asked, we will simply say that she is a lady who, for upwards of thirty years, has untiringly devoted her time and talents at a Female Physician and nurse, principally among children. She has especially studied the constitution and wants of this numerous class, and, as a result of this effort, and practical knowledge, obtained in a lifetime spent as nurse and physician, she has compounded a Soothing Syrup, for children teething. It operates like magio-giving rest and health, and is moreover, sure to regulate the bowels. In consequence of this article, Mrs. Winslow is becoming world-renowned as a benefactor of her race : children cortainly do rise up and bless her; especially is this the case in this city. Vast quantities of the Soothing Syrup are daily sold and used here. We think Mrs. Winslow has immortalized her name by ECCLESIASTICAL YEAR; this invaluable article, and we sinverely believe thousands of children have been saved from an early grave by its timely use, and that millions yet unborn will share its benefits, and unite in calling her blessed. No mother has discharged her daty to her auffering little one, in our opinion, until she has given it the benefit of Mrs. Winslow's Southing Syrap. -Try it, mothers-try it now .- Ladies Vuitor, New York City. Sold by all Druggists. 25 cents a bottle.

The New York Tribune says, 'the reason why Drake's Plantation Bitters are so universally used and have such an immense sale, is that they are alwavs made up to the original standard, of highly invigorating material and of pure quality, although the prices have so largely advanced," &c.

The Tribune just hits the nail on the head. The Plantation Bitters are not only made of pure material, but the people are told what it is. The Recipe is published around each Bottle, and the bottles are not reduced in size. At least twenty imitations and counterfeits have sprung up. They impose upon

the people once and that's the last of them.

The Plantation Bitters are now used in all the Government Hospitals, are resommended by the best physicians, and are warranted to produce an immeliute beneficial effect. Facts are stubborn things. ". . . I owe much to you, for I verily believe

the Plantation Bitters have saved my life. REV. W. H. WAGGONER, Madrid, N. Y."

New Bedford, Mass., Nov. 24, 1863. Dear Sir :- I have been afflicted many years with severe prostrating oramps in my limbs, cold feet and hands, and a general disordered system. Physicians and medicine failed to relieve me. Some friends in New York, who were using Plantation Bitters, prevailed upon me to try them. I commenced with a small wine glassful after dinner. Feeling better by degrees, in a few days I was astonished to find the coldness and cramps had entirely left me, and I could sleep the night through, which I had not done for years. I feel like another being. My appetite and strength have also greatly improved by the use of the Plantation Bitters.—Respectfully,
JUDITH RUSSEL."

If the ladies but knew what thousands of them are constantly relating to us, we candidly believe one balf of the weakness, prostration and distress experienced by them would vanish. James Marsh, Esq. of 159 West 14th Street, N.Y. says, 'he has three children, the first two are weak and puny, his wife baving been unable to nurse or attend them, but that she has taken Plantation Bitters for the last two years, and has a child now eighteen months old which she has nursed and reared herself, and both are hearty, saucy and well. The article is invaluable to mothers," &c.

Such evidence might be continued for a volume. The best evidence is to try them. They speak for themselves. Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, diabetes, &c., will find speedy relief through these Bitters.

Rvery bottle for exportation and sale out of the United States has a metal cap and green label around

Beware of refilled bottles. See that the cap has not been mutilated. Any person pretending to sell Plantation Bitters in bulk or by the gallon is an impostor. We sell it only in bottles. Sold by principal dealers throughout the habitable globe.
