

Mr. Alexander Hutton, of Chignacousy, has raised this fall fifteen hundred bushels of Mangold Wurzel, to the acre, a profitable crop if the money value alone be considered, but far more so for furnishing a very abundant and superior feed through the winter for every description of stock. The Mangold is a more reliable root than the turnip, is better relished by stock, and fed to milch cows imparts no strong flavour to the butter. For fattening hogs it is also valuable in the early part of the process. The cultivation of this root is yearly gaining favour with farmers.

Do not accustom yourself to consider debt only as an inconvenience; you will find it a calamity. Poverty takes away so many means of doing good, and produces so much ability to do evil, both natural and moral, that it is by all virtuous means to be avoided. Let it be your first care, not to be in any man's debt. —Dr. Johnson.

A HOUSEHOLD WORD TO MILLIONS.—Throughout two-thirds of the civilized world, BRISTOL'S SARSAPARILLA may be called the synonym for invigoration. Its tonic properties are proverbial in every South American country; in Mexico, Cuba, Central America, Brazil, and all the British Colonies from the Canadas to the Australian antipodes, the evidence is alike in its favor. Convalescents find it the most powerful of restoratives. The victims of ulcerous and eruptive maladies depend upon its disinfectant and healing properties. The dyspeptic, the bilious, the sufferers from malarious fevers, intermittent and remittent, find it safe and sure. It has never disappointed those who have put their trust in it. In all diseases of the stomach, liver, and bowels, BRISTOL'S VEGETABLE PILLS should be used in doses along with the Sarsaparilla, which will greatly hasten a cure.

Agents for Montreal, Devins & Bolton, Lamplough & Campbell, Davidson & Co., K. Campbell & Co., J. Gardner, J. A. Harte, H. R. Gray, Picault & Son, J. Goulden, R. S. Latham and all Dealers in Medicine.

A PERFECT DELIGHT.—Flowers have their time to fade, says a favorite poet; but in MURRAY & LANMAN'S FLORIDA WATER their sweetness is made perpetual. The odor of other toilet-waters becomes faint and insipid after a brief exposure to the air. It is not so with this exquisite floral preparation. Its perfume is fixed and permanent. Hang a handkerchief that has been moistened with it in the breeze for days, and the aroma will be as delicate and refreshing at the end of the time as if the fluid had just fallen upon its threads. This is not the case with any foreign extract, nor with any other American perfume.

Purchasers are requested to see that the words "Florida Water, Murray & Lanman, No. 69 Water Street, New York," are stamped in the glass on each bottle. Without this none is genuine.

Agents for Montreal: Devins & Bolton, Lamplough & Campbell, Davidson & Co., K. Campbell & Co., J. Gardner, J. A. Harte, Picault & Son, H. R. Gray, J. Goulden, R. S. Latham, and all Dealers in Medicine.

WHAT IS YOUR AFFLICTION?—A hundred varieties of disease may be traced to the stomach. For each and all of them, common sense suggests that the medicine which restores that organ to its full vigor, is the true remedy. If common sense demands what that remedy is, experience answers, BRISTOL'S SUGAR COATED PILLS. Cathartics are plenty, but nine-tenths of them give only temporary relief, and many are dangerous. It is better to let dyspepsia have its way, than to attempt its cure with mercury. The so-called remedy will destroy the patient more rapidly than the disease. Not so BRISTOL'S SUGAR COATED PILLS, which owe their efficacy solely to vegetable extracts. If the liver is wrong, they put it right; if the bowels are clogged with obstructions, they remove them; if the stomach is incapable of perfect digestion, they impart to it the required tone and vivacity.

They are put up in glass vials, and will keep in any climate. In all cases arising from, or aggravated by impure blood, BRISTOL'S SARSAPARILLA should be used in connection with the Pills.

THE FLORENCE NIGHTINGALE OF THE NURSERY.

The following is an extract from a letter written by the Rev. U. Z. Weizer, to the *German Reformed Messenger*, at Chambersburg, Penn.:—

A BONDFACTRESS.

Just open the door for her, and Mrs. Winslow will prove the American Florence Nightingale of the Nursery. Of this we are so sure, that we will teach our 'Sossy' to say, 'A Blessing on Mrs. Winslow, for helping her to survive and escape the griping, colicking, and teething siege. We confirm every word set forth in the Prospectus. It performs precisely what it professes to perform, every part of it—nothing less. Away with your 'Cordial,' 'Paregoric,' 'Drops,' 'Laudanum,' and every other 'Narcotic,' by which the babe is drugged into stupidity, and rendered dull and idiotic for life.

We have never seen Mrs. Winslow—know her only through the preparation of her 'Soothing Syrup for Children Teething.' If we had the power, we would make her, as she is, a physical saviour to the Infant Race. 25 cents a bottle. Sold by all Druggists.

A 'COUGH,' 'COLD,' OR IRRITATED THROAT If allowed to progress, results in serious Pulmonary and Bronchial affections, oftentimes incurable.

BROWN'S BRONCHIAL TROCHES

Reach directly the affected parts, and give almost instant relief. In Bronchitis, Asthma, and Catarrh they are beneficial. Obtain only the genuine Brown's Bronchial Troches, which have proved their efficacy by a test of many years. Among testimonials attesting their efficacy are letters from—

PROSPECTUS OF MASSON COLLEGE, TERREBONNE, NEAR MONTREAL.

THE object of this institution is to give to the youth of this country a practical education in the French and English languages.

The course of instruction embraces the following branches, viz:—Reading, Writing, French and English Grammar, Geography, History, Arithmetic, Book Keeping, Practical Geometry, Architecture, Music, and Drawing.

The course is of five years, commencing by an Elementary class, in which pupils of seven years are commonly admitted.

Every pupil capable of studying, and furnished with good moral recommendations, is received in the institution without distinction of religion; strict conformity to the rules and discipline of the house being required of all.

All matters are studied in English as well as in French, in order that the pupil may become proficient in both languages.

Particular attention is given to the teaching of French to the English pupils, a professor being specially charged with that branch; their progress is rapid, as may be known from the fact, that many who, at the commencement, knew not a word of French, were, towards the end of the year, able to speak and write it tolerably well.

This institution is under the direction of five priests, 12 Ecclesiastics residing in the house, and four lay professors.

Pupils are boarded in the house; bed and bedding furnished at the desire of the parents.

Particular attention is paid to the food, health, and cleanliness of the scholars, and all that pertains to their religious, moral, and domestic education.

S. T.—1860.—X.—The amount of Plantation Bitters sold in one year is something startling. They would fill Broadway six feet high, from the Park to 4th street. Drake's manufactory is one of the institutions of New York. It is said that Drake painted all the rocks in the Eastern States with his cabalistic "S. T.—1860.—X." and then got the old grumpy legislators to pass a law "preventing disgracing the face of nature," which gives him a monopoly. We do not know how this is, but we do know the Plantation Bitters sell as no other article ever did. They are used by all classes of the community, and are dear on Dyspepsia—certain. They are very invigorating when languid and weak, and a great appetizer.

"In lifting the kettle from the fire I scalded myself very severely—one hand almost to a crisp. The torture was unbearable. . . . The Mexican Mustang Liniment relieved the pain almost immediately. It healed rapidly, and left very little scar."
CHAS. FOSTER, 420 Broad St., Philada."

This is merely a sample of what the Mustang Liniment will do. It is invaluable in all cases of wounds, swellings, sprains, cuts, bruises, sprains, etc., either upon man or beast.

Beware of counterfeits. None is genuine unless wrapped in fine steel-plate engravings, bearing the signature of G. W. Westbrook, Chemist, and the private stamp of DEMAS BARNES & Co., New York.

WHAT DID IT!—A young lady, returning to her country home after a sojourn of a few months in New York, was hardly recognized by her friends. In place of a rustic, flushed face, she had a soft, ruby complexion, of almost marble smoothness; and instead of 22, she really appeared but 17. She told them plainly she used Hagen's Magnolia Balm, and would not be without it. Any lady can improve her personal appearance very much by using this article. It can be ordered of any druggist for only 50 cents.

Helmstreet's inimitable Hair Coloring has been steadily growing in favor for over twenty years. It acts upon the absorbents at the roots of the hair, and changes it to its original color by degrees. All instantaneous dyes deaden and injure the hair. Helmstreet's is not a dye, but is certain in its results, promotes its growth, and is a beautiful Hair Dressing. Price 50 cents and \$1. Sold by all dealers.
