SOLID PROGRESS

It will be a source of pleasure to all friends and
policy-holders of the

Aetna Life Ins. Co.

to note the progressive character of the business of
this solid institution, throughout the Dominion, as
indicated by its returns, made upon oath of its offi-
cers, to the Superintendent of Insurance at Ottawa.

The following table gives its Annual Income for
premiums, and its amount of Insurance carried in
Canada the past six years, according to the Govern-
ment Report:

Year.	Premiums Received.	Insurance in Force.
1877.....	\$279,702	\$8,211,316
1878.....	284,165	8,780,189
1879.....	307,847	9,289,335
1880.....	347,257	10,324,888
1881.....	408,597	11,370,008
1882.....	505,524	13,093,994
1883.....	\$576,993	\$14,366,469

From the above it will be seen that the Aetna's in-
come for Premiums has considerably more than
doubled during the past six years. To no other com-
pany doing business in Canada except one, has so
large an amount of premiums been paid during the
same time, and that one has come far short of doubl-
ing its premium income since 1877.

Policies issued in Canada the past year, 1437.
Insuring the sum of \$2,258,875

During the past seven years the

Aetna Life Ins. Co.

has paid out to its mutual members in Canada, a
larger amount in Cash, for Dividends (not bonuses
payable only at death) than many other companies
have received as premiums during that time. Also
a large additional amount for Matured Endowments
besides the regular payment of its Death Losses, as
follows:

Year.	Cash Dividends.	Matured. Endowments.	Death Claims.
1877.....	\$40,749	\$ 2,486	\$ 79,570
1878.....	41,973	13,290	80,592
1879.....	45,713	53,764	78,119
1880.....	51,907	25,901	95,028
1881.....	54,593	30,104	72,368
1882.....	59,970	75,774	93,007
1883.....	74,598	79,214	109,153

The three benefits combined amount to little
short of \$1000 for every business day in the year,
paid to its Canadian members, or their friends.

Said a Methodist Minister, when taking his 4th
policy in the Aetna, on the 1st of May, 1884, and
receiving payment of a matured 15-year endowment
at the Toronto office, "That 15-year Endowment in
the AETNA has never caused me one moment's
anxiety as to its security." There is nothing like
being sure. Failures have occurred and will occur,
but the AETNA stands the test of time, and will this
year increase its Government Deposit at Ottawa to
nearly three-quarters of a Million Dollars.
