Guarantees the finest and most artistic work  
that can be produced, and allows a liberal dis-  
count to Professors and Students connected  
with Toronto University and other colleges.

"Mamma," said a little Chicago girl.  
"Yes, dear." "Do you think I'll have  
the same papa all this yea?"

Smythe, who is something of a con-  
noisseur in art, says his servant girl, who  
lit the fire with kerosene, was done up in  
oil.

A tight boot is a corn planter.  
"My dear young lady," said a Harlem  
artist to Bellona Rene d'Or Gubbins,  
"you are positively lovely! Wouldn't  
you like me to do you in oil?"  
"Sir!" exclaimed her father's pride  
indignantly; "do you take me for a sar-  
dine?"

A metropolitan paper publishes the  
following: "Lost, yesterday, a small  
blue morocco pocket-book, containing a  
variety of papers—among the rest a  
tailor's bill for £20. Any person finding  
the same will please pay the bill, and  
nothing more will be said."

"The first step towards wealth," says  
an exchange, "is the choice of a good  
wife." "And the first step towards  
securing a good wife is the possession of  
great wealth," says another. Here we  
have one of those good rules which work  
prettily both ways.

"Did you ever break the record?" ask-  
ed a gentleman of a bicyclist. "No,"  
responded the wheelman; "but I broke  
my right arm last year, broke my watch  
a week ago, broke my machine twice,  
and last night I came near breaking my  
neck. I may break the record next."

Perkins—"And so you're going to  
the fancy dress ball? What costume  
are you going to wear?" Smart Alec—  
"I think I'll borrow your summer suit  
and go as a tramp." Perkins—"I guess  
I'll put on your diagonal Prince Albert  
and go as a looking-glass."—*Puck.*

THE BELLE OF THE "CONVERSAT."  
The above subject was a very deep one  
last Friday eve. There were gentlemen  
present who wished to see, and thought the  
honor ought to be carried off by their special  
friends; but it seemed to be very generally  
admitted that a dark lady, with a handsome  
and striking figure, large, luminous dark eyes  
was the favourite. She was faultlessly atti-  
red and wore a handsome pair of diamond  
ear-rings with lace pin to match.  
It was whispered around she bought the  
jewellery at Trowern's, 171 Yonge st., who  
always keeps a well regulated stock of the  
finest gold and silver jewellery. He already  
has a large patronage from the students and  
looks forward to a continuance and increase  
of the same, giving very liberal bargains to  
the "boys" of the "Varsity."
