

ANNEX "A"

RESPONSIBILITIES OF THE GOVERNMENT OF CANADA

Projects approved under subsidiary agreements

- I Unless otherwise indicated in the subsidiary agreements, the Government of Canada shall finance the following expenditures, based on the rates authorized in its Regulations:
- A. Expenditures related to Niger scholarship holders:
 - 1. registration and tuition fees, books, supplies, or materials required;
 - 2. a living allowance;
 - 3. medical and hospital expenses;
 - 4. economy-class fares for travel by air or any other approved means of transportation, in compliance with the requirements of the scholarship program.
 - B. Expenditures related to Canadian personnel:
 - 1. the salaries, fees and other benefits provided for in the contracts;
 - 2. the various benefits and allowances provided for in the contracts, in so far as they are not the responsibility of the Government of Niger;
 - 3. their travel expenses and costs for hotel or other suitable temporary accommodation required for authorized trips during their assignment;
 - 4. the cost of shipping, between their normal place of residence and their place of assignment in Niger, their personal and household effects, those of their dependants, and specialized technical material required for the execution of their duties.
 - C. Expenditures related to the projects:
 - 1. the cost of engineers', architects', and other services required for the execution of projects;
 - 2. the cost of providing merchandise, materials, equipment and other goods and transporting them to the premises of the beneficiary or the person who makes use of the said articles in Niger, or to the site of the project in Niger.
- II Contracts for the purchase of goods or commissioning of services financed by the Government of Canada shall be signed by the Government of Canada or one of its agencies. Nevertheless, an arrangement may be made for the Government of Niger to sign such contracts itself in compliance with conditions specified in
