RESOLUTION ADOPTED BY THE GENERAL ASSEMBLY

[on the report of the First Committee (A/44/774)]

44/107. Urgent need for a comprehensive nuclear-test-ban treaty

The General Assembly,

Convinced that a nuclear war cannot be won and must never be fought,

Convinced also of the consequent urgent need for an end to the nuclear-arms race and the immediate and verifiable reduction and ultimate elimination of nuclear weapons,

Convinced further that an end to nuclear testing by all States in all environments for all time is an essential step in order to prevent the qualitative improvement and development of nuclear weapons and their further proliferation and to contribute, along with other concurrent efforts to reduce nuclear arms, to the eventual elimination of nuclear weapons,

Recognizing the recent progress made in the negotiations between the Union of Soviet Socialist Republics and the United States of America, as reflected in their joint statement of 23 September 1989, 1/ towards improved verification arrangements and the ratification of the Treaty between the United States of America and the Union of Soviet Socialist Republics on the Limitation of Underground Nuclear Weapons Tests, 2/ signed on 3 July 1974, and the Treaty between the United States
