

CURRIE APPOINTMENT A NOTABLE EXAMPLE

London Times Says Boldness
and Optimism Expected of
Dominions.

LONDON, May 12.—The London Times in an article on the speech yesterday by Sir Lomer Gouin on the bright prospects of Quebec, says:

"The outlook of the Province of Quebec is boldly optimistic, but boldness and optimism are qualities we expect from our Dominions. They are as indigenous to the soil as the originality and breadth of conception which Canada herself has given us a notable example of in the proposed selection of the great military commander, Sir Arthur Currie, to direct the fortunes of McGill University."
