

BASKETBALL
TRIPS

Authority was granted for the second basketball team to make a trip to Sherbrooke on March 3rd and 4th and to Quebec on February 3rd and 4th, 1933, provided the guarantee was sufficient to cover the expenses.

RINKS

It was reported that the Athletic Board was taking over the responsibility for the McLavish St. rink attendant, Mr. Brown. It was thought that more direct contact with Mr. Brown would improve the management of the rink.

The meeting adjourned at 2.30 p.m.
