

CONGRATULATIONS.

Mr. O'Hara, Director of Crown Lands, Agnes Beauce, Que., when receiving his subscription to the CANADA LUMBERMAN, "Allow me to congratulate you on some of the 'practical' articles that have appeared in the LUMBERMAN during the past twelve months."

A DOUBLE-CUTTING SAW.

Mr. J. F. McRae and Mr. Charles Hamilton, foreman and filer respectively for the Rat Portage Lumber Company, of Rat Portage, Ont., have for some time been experimenting on a double-toothed saw, running on an old type of a Prescott band mill. As a result, they have

satisfied themselves that they can operate the saw on this mill to advantage, and effect a considerable saving. We understand that they intend installing the saws for next season's cut. McRae claims that on account of having a top guide on the mill, it is an advantage over the telescopic mill, inasmuch as sawyers will not keep the mill down to the cut.
