

NOVELS BY CLIVE PHILLIPPS-WOLLEY.

THE CHICAMON STONE:

A LEGEND OF THE YUKON BASIN.

Crown 8vo. 6s.

PUNCH.—'“The Chicamon Stone” is a succession of pictures of one of the weirdest parts of the world. In power, in simplicity, in occasional grandeur, it is worthy of the theme. My Baronite, brought up on Fenimore Cooper, ruefully admits what a stagey creature he was compared with Clive Phillipps-Wolley.'

PALL MALL GAZETTE.—'“The Chicamon Stone” is a book that once begun will be most reluctantly relinquished until it is finished, and finally it is a story that every healthy-minded English boy will read with unbounded delight.'

ILLUSTRATED LONDON NEWS.—'There are books of adventure and books of adventure, but “The Chicamon Stone” is among those that should be read. . . . There is not a dull page in the whole volume.'

MANCHESTER GUARDIAN.—'A bracing tale of the forests and snows, and the rough, resourceful men who know them as a citizen knows his streets. . . . Mr. Wolley has a good vigorous style, so that, having chosen his scene and found his story, he can tell it well.'

PILOT.—'This is a delightful book of stirring adventure, one of the best we have read for some time. . . . Never for a moment does the interest flag.'

ONE OF THE BROKEN BRIGADE.

Crown 8vo. 6s.

PALL MALL GAZETTE.—'A wholesome, stirring, lovable book . . . one of those stories which you read and keep to read again.'

WORLD.—'Much better than anything of this author's with which we are acquainted. It is indeed a story almost painfully interesting and touching. . . . Brisk adventure and continual variety of character and incident mark the progress of the story.'

MANCHESTER GUARDIAN.—'A good story well told.'

ILLUSTRATED LONDON NEWS.—'The book is full of interest, but its chief value will be the lesson it affords to those who go forth with a light heart to far-away lands, under the impression that prudence and caution are not as necessary safeguards there as they are at home.'

LEEDS MERCURY.—'A touching tale of devotion and sacrifice, finely conceived and worked out, and the story and fate of Noe will long live in the recollection of the most *blasé* reader.'

London: SMITH, ELDER, & CO., 15 Waterloo Place, S.W.
