## York County and Suburbs

### DIED AT AGE OF 102.

Mrs. Crew Was Oldest Resident of Scarborough Township.

The death of Mrs. Mary Jane Crew, Scarborough's oldest resident, which took place on Tuesday, removes a wonderfully striking figure, and one who had outlived all the friends of her early youth.

Born in Prince Edward County in May, 1809, of New Brunswick parents, Mrs. Crew had attained the remarkable age of 102 years. Mrs. Crew died at the residence of her son, Richard Crew, of the Ontario House, Kings-ton-road. Her death was directly attributable to the intense heat of the past few days, she having been in good health and spirits on Saturday morning, but in the afternoon complained of feeling unwell, and later lapsed into unconsciousness, from which she never rallied.

The deceased lady was the mother of eight children, three daughters and five sons. Of these one daughter and two sons survive, one of whom is Richard and the other Isaac. She lived on Ivy-avenue in the city. One son, William, died in Winnipeg less than a year ago.

A wonderful woman was the late Mrs. Crew, her hearing and eyesight being almost unimpaired while her memory was marvellously retained even to the last.

The funeral takes place to-day (Thursday) from the Ontario House, Kingston-road, at 2 p.m., to St. Margaret's Church, Highland Creek.

### NORTH TORONTO.

NORTH TORONTO, July 5.—(Special.)—Before Magistrate Ramsden this morning, the American-Abell Engine

Co. were made the defendants in an action brought against their demonstrators in running into a rig belonging to Jos. E. Harris, and afterward refusing to make known the number of the auto.

Mr. Harris, who was being favored with a demonstration, stated to the magistrate that the rig "was zig-zagging across the street." "The mere fact that people don't get out of the road does not justify you in running into them," said his worship as he adjourned the case for a week to assess the damage.

James Chappell, charged with assault, had his case laid over for a week, as Mrs. Chappell, his star witness, was not able to appear.

Wm. Braund, W. Patterson, Douglas Wilson, L. Mape and F. Palmer paid \$2 each for wheeling on the sidewalk.

It looks as though the sinking of the last well down at the power-house plan is not going to be a success. The dimensions are 10 feet long, 15 feet high and 10 feet deep, and about a foot of water constitutes the seepage for the day. Council Lawrence stated last night at the council meeting that between \$300 and \$700 had been wasted to no advantage.

If the people turn down the proposal to buy two or three acres for a high school site at the next municipal election that ends the North Toronto High School for the present, the town may be a part of the city by that time.

### SCARBORO.

SCARBORO, July 5.—(Special.)—The annual lawn social of Christ Church (Anglican), Scarborough, was held on the church grounds, stop 18, Kingston-road, on Wednesday, July 5, when a splendid program of vocal and instrumental music was rendered by talented members of the choir, with Harvey Lloyd, humorist, as the feature. Tea was served from 5 to 8 p.m.

### WEST TORONTO.

WEST TORONTO, July 5.—The body of Alexander J. Livingstone, aged 26 years, was brought to West Toronto on this afternoon's C.P.R. train from Coldwater, and is now at Speers' undertaking establishment.

Mr. Livingstone was a fireman employed by the Canadian Pacific Railway, and was working at Coldwater. He stepped between two cars which started to shunt, with the result that he was thrown under the wheels and crushed to death. His body was immediately brought here and an inquest was opened to-night by Coroner Dr. R. Hopkins at the undertaking parlors of Wm. Speers. The inquest was adjourned until next Tuesday. Dr. Clendennan conducted a post-mortem.

Zeni Hilyar, a workman in the St. Clair-avenue foundry, was another victim to the extreme heat this morning. Shortly after work had been commenced he felt faint, and in a few minutes collapsed. A doctor was immediately sent for, and Hilyar was removed to his home at 62 Laughton-avenue.

Several candidates for matriculation and departmental examinations who are writing at Humber College Institute during this and last week, are complaining about the heat of the room in which they have to write. The room used is the assembly hall, which is on the second floor and directly under a large skylight in the roof. At the cost of an extra presiding officer the power windows are much more comfortable and the candidates would be considerably increased.

### MOORE PARK.

MOORE PARK, July 5.—(Special.)—The annual picnic under the auspices of the Moore Park Athletic Club and Ratepayers' Association will be held on Saturday, July 22, on the golf links, Rosedale-avenue, Moore Park (just south of St. Clair). The joint committee have drafted a splendid program, provision being made for all-round games, baseball, football, tug-o-war, and dancing on the green may be included. Tickets are on sale in an ideal place for holding a function of this sort, being near the Church and Yonge-street. Tickets are on sale in the leading north end stores. Further particulars may be had from the secretary, J. Gaw, Alice-avenue, Moore Park.

## HONORED THE MEMORY OF CANADIAN HEROINE

Monument Unveiled to Laura Secord on Queenston Heights by Sir Charles Moss.

ST. CATHARINES, July 5.—(Special.)—A large assemblage gathered at Queenston Heights to-day to witness the unveiling of the handsome memorial to Laura Secord, the Canadian heroine who distinguished herself so nobly in the war of 1812. The monument erected on the site of the old Brock monument, twelve feet high and costing \$2000, was unveiled by Sir Charles Moss, chief justice of Ontario, and at present administrator of the province. Speaking of the wonderful achievements of the heroine and of the appropriateness of erecting the monument on Queenston Heights, not far from her own home, he mentioned the fact that he had come to unveil the monument instead of a George Jackson, who was prevented by recent bereavement in his family. He spoke of the work of former Premier Ross and also of Mr. Currie of St. Catharines, thru whose efforts the money was obtained from the government for the erection of the monument.

Charles, on behalf of the government, presented the monument to J. Langmuir of the Victoria Park commission. Mr. Langmuir replied with words of thanks, assuring the people the memorial would be well looked after by the commission and said that they intended improving many other points of historical interest in the Niagara district.

The monument overlooks the Niagara falls and has on one side an inscription to the husband of Laura Secord and on the other an inscription to the heroine. Wreaths were placed on the monument by the ladies of the historical society.

## CASE OF POISONING

Man Found in Dying Condition in Montreal Hotel.

MONTREAL, July 5.—Mystery surrounds the death of Helvidre Desroches, forty years of age, who died in the general hospital at four o'clock yesterday as the result of poisoning. The man, who was married, had been away from home for three days and had been staying at a hotel on St. Dominique-street.

At 2:30 yesterday afternoon, the ambulance of the general hospital was summoned by someone in the hotel, who found Desroches lying on one of the beds in a very weak condition. He was taken to the hospital, but only lived two hours.

No poison of any kind was found in the room, as would have been the case if the man had committed suicide.

## IRISH FAIR.

A novel entertainment has been arranged by the men of Cooke's Church, in the nature of an Irish Fair, which is to be presented in Moss Park Rink this evening. The 48th Highlanders band will render a programme of popular Irish melodies. The receipts are for purely philanthropic purposes undertaken by the Brotherhood Organization of the church.

## PROHIBIT LAWN SPRINKLING

Grass Must Go Unwatered for Next Five Days.

The local board of health met yesterday afternoon and passed an order prohibiting the use of lawn sprinklers for the next five days. By the end of this time it is calculated that there will be thirteen to fifteen feet of water in the reservoir.

Waterworks Engineer Fellows reported at 5 p.m. yesterday that the water level had begun to rise again in the reservoir, which then contained only six feet. It is expected that at least two feet will be added to this before noon to-day.

Yesterday special policemen were sent out on bicycles to summon all people found using sprinklers on their lawns.

The people of the city have used about 150,000,000 gallons the last three days. The pumps have been worked at full daily capacity of 50,000,000 gallons and 10,000,000 gallons have been taken from the reservoir.

There is no necessity for a shortage of water if people will be reasonable in their use of the available supply. Under ordinary circumstances with all the factories working full blast, 35,000,000 gallons are used per day. The margin between this and the daily pumping capacity of 50,000,000 gallons is 15,000,000, quite enough to meet all requirements, ordinary and extraordinary. Some thought and a little care is all that's required.

## YORK COUNTY ESTATES.

Probate of the will of John H. Greenwood, farmer of the Township of Vaughan, who died May 21, 1911, shows book debts amounting to \$400 and mortgages totalling \$3500. By his will, his widow, Elizabeth Emily Greenwood, is his sole beneficiary.

## Happy, Happy Use TIZ

A Marvel for Sore Feet. Acts Right Off.

Sore Feet? Never After Using TIZ—Good-bye, sore feet, aching feet, swollen feet, sweaty feet, smelly feet, tired feet.

Good-bye corns, callouses and bunions and raw spots.

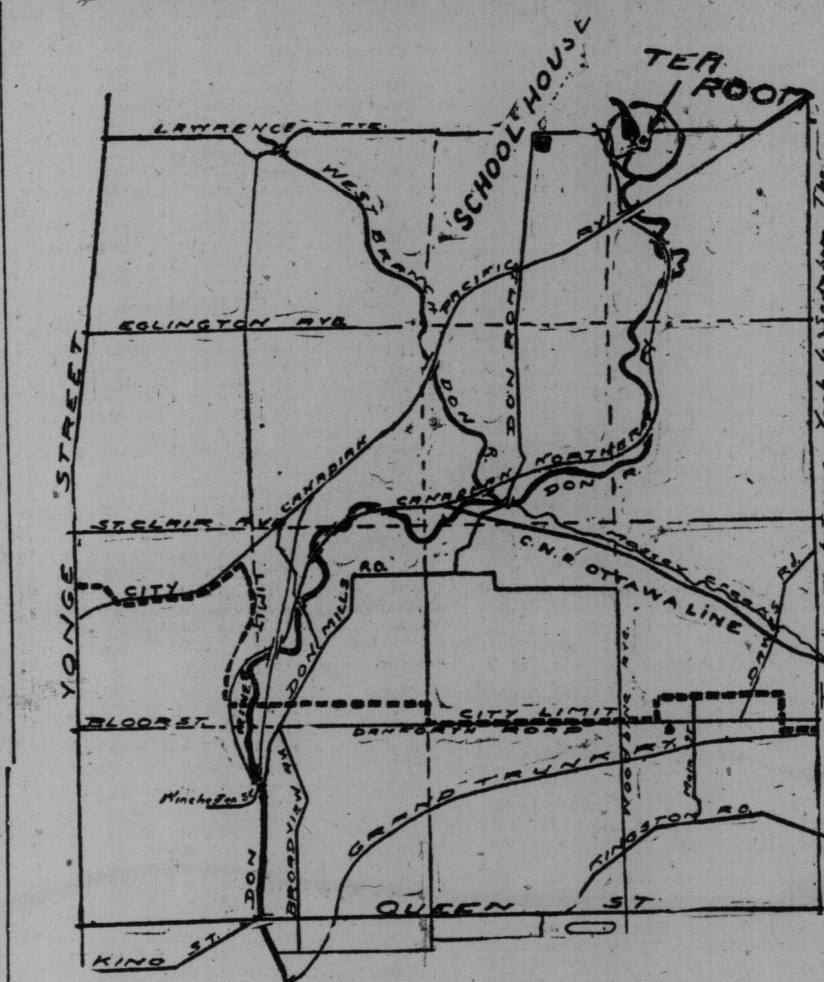

You've never tried anything like TIZ before for your feet. It is different from anything ever before sold.

It acts at once and makes the feet feel remarkably fresh and sore-proof. TIZ is not a powder. Powders and other foot remedies clog up the pores. TIZ draws out all poisonous excretions which bring on soreness of the feet, and is the only remedy that does. TIZ cleans out every pore and gives the feet a new life.

You'll never limp again or draw up your face in pain, and you'll forget about your corns, bunions and callouses. You'll feel like a new person.

If you don't find all this true after trying a box of TIZ, you can get your money right back.

TIZ is made only by Walter Luther Dodge & Co., Windsor, Ont., and is for sale at all druggists at 25 cents per box.

Those Motoring or Driving up the Don Road may get afternoon tea at the Tea Room, near the Old Mill, in Milne's Hollow, on Lawrence side line.
