## Note and Comment

With Con Jones' Red Shirts winning at New Westminster, they should land at least a tie next Saturday on their own grounds. This, with the N. L. U. decision called together for to-morrow to settle an easy question, this week will likely locate the two clubs that are to compete for the Minto Cup, as Vancouver and Teumseh.

The Teumsehs are pleased that the meeting has been called for Tuesday night. When the clubs will have the chance to express their opinions and vote in the way they think the unfinished Montreal-National game should go. The result will be interesting, in view of the snap-shot decision of the president.

Toronto outplayed Rosedale in the final City League cricket game of the year Saturday at Rosedale. Each side was without one of its crack bowlers, Huthbin being an absentee from Toronto and Wooley from Rosedale. The latter team batted first, and looked like making a sure draw, but after Reid retired no one could stay with Bateman, and they were all out for 100. Henderson was especially effective with the ball, the Rosedale tail falling lamentably. Haines was the hero for the champions, as they hit up the necessary runs for the loss of only six wickets.

A unique coincidence was that on each side a batsman's wicket was saved by the umpire calling "No ball." Haines and Reid figured in the plays.

Rochester came and landed two out of four, and thereby killed almost every chance Toronto had of getting there this year. Hold! The Leafs have still a ray of hope. Each team has about fifteen games left, including postponed affairs. Suppose they contest fourteen, and Toronto lands the mail, with the Huthbins making it an even break, seven and seven. Then the final standing would read:

Toronto..... 33 33 33  
Rochester..... 33 33 33  
Teumseh..... 33 33 33  
Huthbin..... 33 33 33  
Wooley..... 33 33 33  
Haines..... 33 33 33  
Reid..... 33 33 33  
Bateman..... 33 33 33  
Hendersen..... 33 33 33

## N. L. U. Meeting To Be Held Tuesday In Montreal

A meeting of the N. L. U. will be held Tuesday night at 7:30 in the Windsor Hotel, Montreal, for the purpose of discussing the president's decision on the Montreal-National game of Sept. 4. The meeting is being called by the N. L. U. rules call for a full two days' notice, and as Sunday intervened, Tuesday was decided as the proper day.

The Young Toronto will practice at the Beach on Tuesday, and Thursday night. This week, commencing at six o'clock, the Young Toronto will practice at the Beach on Tuesday, and Thursday night.

Fergus Juniors defeated Preston in Preston on Saturday in one of the cleanest and fastest Junior C.L.A. games played this season. The game was a postponed affair owing to darkness, and as it affected the group standing, had to be replayed. The teams played 75 minutes before Fergus scored their first goal of the match. Preston tied it up with only a few minutes to go, Fergus finally winning out in twenty minutes overtime. Frank Doyle was referee.

Pergus and Owen Sound Juniors will play a sudden-death Junior semi-final on Wednesday, place not yet decided on. It is customary to play two games in the semi-final, but both clubs desire a sudden-death game.

Owen Sound Intermediate play at Preston on the 16th, with the return game in Owen Sound on Sept. 20.

Maitland will play their return Junior game in Orillia on Wednesday the 16th, when Fred Waggoner will referee.

Maitland Intermediate play in St. Kitts on Sept. 16, as do the Capitals, the latter in the juvenile group. The two Toronto teams will run an excursion, and the games will be a double-header affair. F. Waggoner will referee the intermediate game.

If the above arrangements all work out satisfactorily, the C. L. A. will be able to reach their final games by Sept. 30, which date is plenty late enough for lacrosse matches.

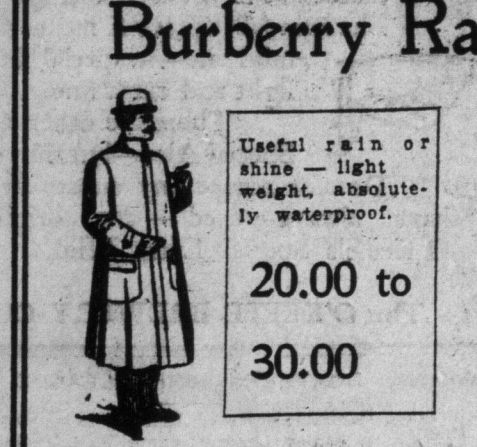

Pond for the Highlanders and Walker for Washington, went 13 innings in a hard pitched battle Saturday, the Washington map weathering in the final inning and New York won 5 to 1.

## Shamrocks One While Nationals Scored Eighteen

MONTREAL, Sept. 9.—The Nationals had no mercy on the Shamrocks in this afternoon's match at the Shamrock grounds, and piled up a score of 18 to 1 before the final gong ended the process.

Except for a few minutes, just at the start, when the green shirted, injected a little vim into their attack, they bore little resemblance to a real lacrosse team, and the Frenchmen scored almost at will.

The speedy Nationals home drew the Irish defense out at will and then ran the game left, giving Clifton in the warmest time that he has yet experienced.

The Irish home had very little chance to do anything, as the Nationals field was too speedy, and quite out of their wits, so that there were always two or three Frenchmen to spare whenever the Irish came to aid in checking the attack.

Shamrocks only score came in the third quarter, when Quinn took the National defense unaware and scored with a pretty shot after a straight run in.

The only thing to relieve the dull monotony of the game was a free fight, which originated in the grand stand and ended on the field of play. The officials and police had their hands full clearing the grounds of the rival factions, but the game was finally ended. One arrest was made.

It was not a rough game, and no one was laid out. The only changes thruout the match took place in the second quarter, when Cadotte was put on the National defense, and scored with a goal.

Gauthier and Lamoureux were the most effective for the Nationals, the latter getting six goals and the former seven. Teams and officials:

Shamrocks: G—Goal, Clifton; point, Dillon; cover, Rochford; defence, Tobin, Barry, Cooligan; centre, Murray; home, George, Quinn, McCarthy; inside, Hyland; outside, McIntyre.

Nationals (18)—Goal, L'Houmeau; point, Cattarino; cover, Gagnon; defence, Desjardins, Clement, Lavolette; centre, Desjardins, home, Duval, Gaudet, Pire; inside, Lamoureux; outside, Boulianne.

Referee—W. McIntyre. Judge of play—Ruddy Pinkston.

## TWO GAMES TO-DAY.

Double-headers will be the order at the island to-day and to-morrow, when Buffalo will be the "Leaves" opponent. The games will be called at 2 and 4 p.m. respectively. The Blasons have been strengthened since their last appearance by the acquisition of Wratten, third baseman, Jimmy Murray, the former Leaf, who leads the Eastern League in batting, and Pitcher King Prockett, late of the New York Highlanders. Lush and Mueller will probably do the pitching for the Toronto to-day. Only one price of admission will be charged.

## Vancouver a Winner At New Westminster

Score of 43 About Indicates the Play—Second Game Next Saturday in Vancouver—Total Score to Count.

VANCOUVER, Sept. 9.—With a lead of one goal at three-quarters time, Vancouver to-day outplayed Westminster in the final quarter of a grueling lacrosse game at Queen's Park, Westminster. The Red Shirts of Fraser River Town failed to come back, though it was on their own ground and the final round of the four was fought in a rainstorm. The score was 43 to 2 in favor of Vancouver at three-quarters time and in the last quarter each team scored one. During the last eight minutes Westminster tried desperately to score, but Vancouver played rag in better than legal fashion and, successfully, the final whistle blew, with the score 43 to 2.

Two Vancouver had the better of the play in about the proportion that the score would indicate, the result gave no very definite hint as to how the Minto Cup will go. The total score of to-day's game and that of next Saturday govern the possession of the coveted cup, but a lead of one goal to-day is not very conclusive. On the other hand, Westminster will be playing next week in Vancouver, which is a distinct disadvantage to the home-coming Blasons.

The attendance did not indicate the importance of the match. The crowd club racing at the R.C.Y.C. on Saturday Day. Before the game Manager Charlie Welsh and Con Jones approached the press representatives and passed a few caustic comments upon the rumors which have been circulating regarding "the drama" course, a twelve-mile trip, offered to give \$5000 to anyone who could prove that such was the case.

Both clubs announced changes in the line-up. Westminster dropped Pat Feeley for Ernie Murray, who was placed at centre, while Vancouver dropped Nick Carter for Billy West, who was placed at cover-point.

The excitement attending the defence of two cups against American challengers has not detracted from the interest in the game. The game was played in the rain, and the crowd was small.
