EIGHTEENTH YEAR

And the Mad Mullah is Collecting Forces for an Attack.

FIGHTING IS GOING ON AT ALI MUSJED

And the Situation is Reported to Be Decided- tiffes there are not trying to create a boom, ly Serious in India.

What the Government Feared Has Come to Pass-A Lengthen- young man named Johnson, who had just The Peace River country is reached most ed Campaign and Desperate Fighting Expected-Afridis Attack Ali Musjed and Fort Maude-The Enemy Entering was left at the mines. The two came out Calgary on the Canadian Pacific Railroad. Khyber Pass-Rumor That Ali Musjed and Fort Maude Have with part of the season's output to secure Fort Chippewyan, on Athabasca Lake, at Khyber Pass-Rumor That All Musjed and Fort Maude Have supplies for the winter. The money brought out was placed in a Vancouver bank. Part taking a stage from Edmonton to Athaperate--President Faure's Grand Reception at St. Peters. of it was drawn out for the purchase of basca landing, 40 miles, and thence down burg-General News by Cable.

London, Aug. 23.—A despatch to The Times from Simia says: The following official communique was issued to-night (Monday): The Ameer has promptly replied to the letter in which the Indian Government called his attention to information received by it to the effect that Afghan subjects had joined Haadah Mullah. The Ameer distinctly denies the truth of the reports that Afghan regulars have joined the Mullah. Iten engages solemnly and personally, on behalf of General Gholam Haidar and the regular army, that no such act of hostility will ever be committed by them. He alleges that if tribesmen have joined at all they must have joined secretly for they would not have dared to do sopenly because of fear of him. He attributes the disturbance to the action of the Mullahs, especially Haddah Mullah, who in former years have excited his over records to year against him in Afgina in Afgina in Afgina and the United States in connection with Count. In the United States in connection with Count. The Duke of Tettor, and the United States in connection with Count. The United States in Coun

may delay their dispersal and they may become troblesome by demonstrations against the Kuki-Khel villages lying

SUSPICIOUS OF THE AMEER.

The Military Authorities Lelieve He is

Playing a Croked Came. London, Aug. 24.—A special despatch from Simla says the belief prevails there that the Government in the official communique has suppressed a portion of the Ameer's reply, owing to a difference of opinion between Lord Elgin, the Viceroy, and the military authorities. Lord Elgin desires to act cautiously and to avoid an open rupture with the Ameer. The military authori-

formidable military preparations.

The generally well-informed correspondent of The Times at Simla says nothing about this supicion, which is probably born of the feeling that the Ameer, although he disowns, does not disapprove of the doings of the tribes-

openly because of rear of min. He active the disturbance to the action of the Mullahs, especially Haddah Mullah, who in former years have excited his own people to rise against him in Afghanistan, and he denounces their conduct."

This is a most important pronouncement, and if published broadcast on the frontier may have a great effect upon the tribesmen.

Gen. Elles will endeavor to induce the Afridjs to leave the hills and venture.

Relgian Froducts for Canada.

London, Aug. 23.—A despatch to The Times from Brussels says the official Moniteur announces that Great Britain has granted Belgian products the same privileges of entering Canada that have been already granted to Germany.

Trafalgar-square and the autterance of some of the speakers provoked disorderly scenes. The police, however, had taken precautions which effectually prevented any serious developments.

The Russians and M. Faure.

London, Aug. 23.—The St. Petersburg.

Good Rains in India. London, Aug. 23.—The Times corres-endent at Simla says that good rains have fallen everywhere throughout India except in the districts of Bombay and Deccan, and the crops promise to be exceptionally large. The numbers on the relief lists are steadily diminishing and evidences of famine are rapidly districted.

RIRTHS.

On Tuesday, Ang. 24, at 39 Madiana and an even them rocking it from one side of the raft. On Sunday he saw boys on the raft, but could not say he had seen them rocking it from one side to the other to avoid getting from one side to the other to avoid getting their feet wet. At the time of the accident the children were stepping back across the raft to avoid getting wet. There were too many children aboard at the time for lads to run from one side to another, and he did not see anything of the kind except when the water came up at the one side. The raft turned right over and settled upside down. Witness saw the boy Long brought out of the water and, assisted by some others, attempt to resuscitate bin. To Mr. Caswell witness said that the party on the boat were of ages from 6 to some the did not see any of them rocking the boat.

To a juryman: Witness saw no one sitdaughter.

DANIEL At 85 Borden-street, on Sunday,
Aug. 22, 1897, the wife of J. W. Daniel,

Lamb's Side-Graft for His Constituents. The details of Sunday's shocking tragedy | ting on the rail on either side of the float

versal sympathy went out to the bereaved relatives of the poor children whose lives were sacrificed. At the homes of the little unfortunates the small rosette of white crape upon the door told the story of sorrow inside and each house was besieged with sympathizing friends all day.

Willie Bytheil's Bedy Found.
At 1.30 yesterday afternoon the body of Willie Bytheil was recovered after a long search by ex-Esplanade Constable Williams and Robert Anderson, and was removed in the patrol wagon to the home of the stricken parents at 101 Trinity-street.

It was stated yesterday that some big boys on the float had caused the fatality by rocking it to and fro to frighten the girls and little boys aboard, but this has not yet been verified and nothing to substantiate it came out in the evidence of Ernest Walter, an eye-witness of the tragedy, who testified was also secured and the youths climbed.

An engineer named Galt examined the float yesterday at the request of the Crown and he will give evidence at the fuquest as to its measurements, construction and
