WEST IS TRUE TO CRAWFORD

No Other Name Seriously Considered By the Parkdale Convention.

Messrs. Clarke, Frye, Nesbitt, Foy and Other Stalwarts Give Addresses.

THOMAS CRAWFORD.

The result of the Liberal-Conservative convention for West Toronto, held in Ogdenshow's Hall last night, was the unanimous nomination of Thomas Crawford to contest the riding at the forthcoming provincial election.

THOSE ON THE PLATFORM.

S. W. Burns, president of the Central Conservative Association, presided, and on the platform with him were: Thos. Crawford, W. D. McPherson, H. A. E. Kent, A. C. Macdonell, Dr. Beattie Nesbitt, J. J. Foy, K. C. Dr. R. A. Frye, Col. Gray, A. J. Keeler, J. R. L. Starr, C. C. Robinson, K. C. J. H. McGhie, John Lawton, R. S. Burrows, J. Del Warren, ex-Ald. James Kerr, ex-Ald. H. E. Graham, John Fawcett, ex-Ald. Denton, J. Russell Snow, E. F. Clarke, M. P., Thos. Parkinson, ex-Ald. John Bowman, R. H. Watson, Peter Whytock, C. E. Macdonald, J. L. Woods, James Hunter, W. Creelock, H. W. Church, A. E. Stewart, William Kerr and Joseph Sheard.

A Good Candidate.

Claude Macdonell, in speaking to his motto, "integrity," Mr. Crawford, said that he had proved the wisdom of his choice in the last election. Mr. Crawford was a gentleman with all the qualities of a statesman, and would be depended upon to do everything possible to promote the interests of his constituents.

They All Withdrew.

Messrs. McPherson, John Lawton, A. J. Keeler, Peter Whytock, and other nominees, addressed the meeting briefly and withdrew in favor of Mr. Crawford. A ballot was then cast for Mr. Crawford and he was declared unanimously chosen, amidst great applause.

Was the Body in Swamp?

Mr. Goodwin is at a loss to understand how the searching parties organized after the disappearance of deceased failed to notice the body. Mr. Goodwin himself distinctly remembers passing within three feet of where the skeleton was found on Sunday.

Suicide Theory Probable.

Relatives of the dead man are disposed to accept the theory of suicide. They say Fowler's mind had become deranged prior to his disappearance by the effects of several accidents. According to the stories, Fowler had many miraculous escapes from death.

QUIET DAY AT THE CAPITAL

Batch of Public Bills Introduced—One to Prevent Charter Grabbing.

DISEASED IMMIGRANTS TO BE BARRED

More Than \$80,000 Needed for Experimental Farms—Many Bills Passed.

Ottawa, April 16.—A batch of public bills was introduced in the House after routine at today's sitting. Mr. Guthrie introduced a bill to amend the Railway Companies' Incorporation Act, by providing that, upon application for charter, a company shall deposit \$200 per mile, to be refunded upon the work of construction proceeding, the object being to prevent speculation in railway charters.

Increase Salaries.

A bill was also introduced to increase the salaries of two stipendiary magistrates in the Yukon to \$4000 per year, with \$1800 for expenses; and to provide for appeals to the Yukon Court of Appeals from decisions of the Gold Commissioners; also to provide for appeals from the Yukon Court of Appeals being taken direct to the Supreme Court of Canada.

Charles Marcell (Bonaventure) asked if the government had received a resolution of the St. Jean Baptiste Society of Ottawa, protesting against the action of Magistrate O'Keefe, in refusing to hear the evidence of a witness in French.

Mr. Russell afforded the Minister of Labor the opportunity to set out the work of the Deputy Minister of Labor, in settling the longshoremen's strike in Halifax.

As Dr. Sproule put it, Dr. Russell deserved a vote of thanks for giving Mr. Mulock the opportunity of presenting a bouquet to himself.

Discharge of Secretary of Jewelers' Union Precipitates a Strike.

FIFTY MACHINE WOODWORKERS QUIT

Two Printers Employed by T. Eaton Co. Ordered to Quit Work Yesterday.

Twenty-four of the jewelers workers in the employ of the T. W. Capp Co., 44 East Adelaide-street, went out on strike yesterday morning. The walk-out in the firm of Saunders, Lorie & Co., made a total of 200 jewelers on strike. The workers in the Capp Co. went out because an employee, J. B. Smith, who is secretary of the union, was discharged. According to Mr. Smith's statement, he was called into the office and told that he would either have to resign the office he held in the union or quit. He refused to resign and was discharged. The other employees left their work and went with Mr. Smith. Mr. Lorie charged one new man yesterday, C. Strachan, vice-president of the union, who was discharged from Saunders, Lorie & Co. yesterday. Made a denial of the statement made by Lorie is that he (Strachan) had left of his own accord.

MILNER DEFINED TERMS

BOERS' DEMAND FOR A REPRESENTATIVE GOVERNMENT IS BEING OPPOSED BY BRITISH.

Col. Macdonell, Inspector of North-west Mounted Police Accepts a Command.

WAS IN AFRICA WITH 2ND CONTINGENT

Graduated From the R.M.C. and Has Been in the West for Ten Years.

Ottawa, April 16.—Col. Macdonell, D.S.O., Regina, will have command of one of the regiments of the fourth contingent. It is understood that Dr. Borden has offered a command to Col. Macdonell and that he has accepted.

Col. Archibald Cameron Macdonell, D.S.O., saw service in South Africa as captain of a squadron of the second contingent. He was wounded by a pistol shot and spent the following winter and spring in the Madeira Islands recruiting his health.

There is good reason to believe that the Boers are vigorously demanding a representative government, and that they also insist that the number of Boer seats in the council be specified.

It is expected that the cabinet will assemble to-morrow to discuss the matter further.

SALISBURY SEES KING.

London, April 16.—The British cabinet had another meeting to-day for the purpose of considering a communication from the Boer representatives who are now at Pretoria and a message from Lord Milner, the British High Commissioner in South Africa. The session was extremely brief.

After the cabinet meeting, Lord Salisbury, the Premier, had an audience of King Edward at Buckingham Palace, and stayed to lunch with His Majesty. The latter afterwards went to Sandringham.

Later it was asserted that the communication from Lord Milner, considered at the cabinet meeting, contained the first clear statement of the attitude of the Boer leaders, who, hitherto, had not agreed on the peace terms they would accept.

The St. James' Gazette predicts an early public announcement of the progress of the peace negotiations. The paper says there is little doubt that if the British and Boers arrive at an understanding on the main points of the proposals peace will ensue, the banishment proclamation will be withdrawn and the Boer army, like the Boer farms, will be returned to a board composed of British and Boer representatives.

130 BOERS CAUGHT.

London, April 16.—In a despatch to the War Office, dated to-day, at Pretoria, Lord Kitchener reports the capture of 130 Boers in the Klerksdorp district since April 11.

FAST LINE PORT.

Montreal, April 16.—George Robertson, Ex-Mayor of St. John, N.B., and M.L.A., has a new theory for the selection of the port for the fast line. He believed that before any definite choice was made by the government a commission should be appointed to look into this matter and report to parliament. He would give a representative of this commission to Nova Scotia, New Brunswick, Ontario, Quebec and the Northwest, also adding two seafaring men as experts, and he believed that such a commission would be able to throw considerable light on a question that will be a real live one in the near future.

IRON MOULDERS' DEMANDS.

After May 1 Montreal Workmen Want \$2.50 a Day.

Montreal, April 16.—The ironmoulders have given notice that, after May 1, they will demand a minimum wage of \$2.50 a day, instead of the present minimum scale of \$2.15, and it is just possible that one of the largest strikes in the industry may have to be inaugurated. However, the officials of the union hope that the foundries will accept the new demand without cost.

TWO LOST THEIR LIVES.

Sad Fatality at Overmore, Near Emerson, Manitoba.

Winnipeg, Man., April 16.—A sad fatality occurred to-day at Overmore, about 20 miles from Emerson. Fred Franksy, a farmer, and his two small children, a girl aged five and an infant son, were severely burned, the children dying of their injuries in a few hours. The family residence took fire in the absence of the parents. Franksy returned in time to rescue the children, but the two youngest were fatally burned, and Franksy himself was so badly hurt that he is now in the hospital.
