

Longboat's Entry Accepted by Olympic Committee

NOTE AND COMMENT

The Sullivan Yellows will not feel as small as their calibre warrants on the receipt of the official news that Tom Longboat's entry has been accepted for the Olympic Marathon. The campaign against the Indian has been both strenuous and underhanded, the latter part being most practised by Ross Sullivan's Toronto allies, who were diligent in sending alleged stable information to A.A.U. headquarters. No one hereabouts ever expected that a fair British committee would otherwise and most of us are just as satisfied that Longboat will win the race.

A well-posed correspondent sends me the following interesting facts:

The thought now uppermost in the minds of Canadians and especially of Torontonians is, will the fleet-footed Longboat capture the Marathon; the speedy carman Scholes the single mile and the famous Argonauts the four and eight at the Olympic at London? They all have a chance, and a rare one at that. Such feats would bring glory to this city as nothing else would. It would be most unique and not impossible. It would indeed be nothing wonderful, simply another chapter of athletic triumphs added to the long roll of fame made immortal by the prowess of the former Canadian athletes.

This year Tommy Burns of Ontario took the measure of every boxer of note in England. Will the other natives make good? Here's that they will. May Longboat emulate the famous Deersfoot? May Scholes repeat himself on the historic Thames? And may the Argonauts, who for years have been the most famous eight in America, win as they have before over the same course?

Only nine years ago Canada, represented by Gaudaur, held the professional championship of the world among carmen. Her native son, Louis Cyr of Quebec, was then champion of the world among strong men. George Orton of this city was the world's amateur champion steeple-chase runner. Gray, Currie and McPherson, native sons of the province, were the champions of the world in the world of windmill shot. The world's champion skater, while Rubenstein and Phillips of Montreal were the champions of the world in the world of the world. The West Zorra boys of Oxford were the best team of four of war men in the world, winning that honor at Chicago. Dick Gray of St. Mary's was then looked upon as the fastest miler in Ontario, Ontario's canoeists at that time were the best in the world, while the 4th Highlanders of this city swept everything before them at the Queen's Jubilee in military combat, not to mention the artillery teams from Canada who cleaned up in England in shifting order. May history repeat itself with the men of the northern zone!

After all there is no summer place around here so good as Hanlan's Point, with its athletic ground and seating accommodation that will rank well with any in the world. The oval, equally adapted to baseball or football and always in perfect condition, is a treat to the eye. The day amusements around the point are the suburban, order, with the circus or catch-penny variety eliminated, while the special attractions put on by Manager Solman are always the pick of everything that comes this way.

The cable reports of the Burns-Squires bout in Paris brought very meagre details. The Canadian was reported as all out in the fourth round, taking the count, etc., when, as a matter of fact, the Australian never scored a knockdown, tho, as Burns stated himself the next day, it was his hardest battle in Europe, and Squires had him guessing in the fourth.

Sporting Life's correspondent admits that up to the seventh round it seemed anybody's match, but in the eighth, which was also the last round, Burns got home one of his terrific short-arm body punches, and down went Squires, to be counted out at the close of the spectators cheered wildly, and Burns for the moment was almost forgotten, Squires having made himself a supreme favorite by the extraordinary skill and courage he showed in facing the champion. Here are the two crucial rounds:

Round 4—Squires started off vigorously, and so did Burns, with a couple of nice swings, to which Burns replied with a smart punch in the stomach, causing Squires to slacken considerably for a while. Then he worked up again, any feinting cleverly with his right, got on to Burns' face with a very nasty one, but the end of the round coming, Burns obtained very useful breathing time.

Round 8—This was short and sweet. Squires thinking he had a good chance for a knock-out, got hard with his left. Burns ducked, got under Squires' guard and got home with right and left on the heart and chin. This last punch settles the business. Squires fell and the crowd spectators cracked and beat the referee severely.

One result of the Burns-Squires fight has been to create the opinion among French sportsmen that Burns would find difficulty in holding his own against Sam McVea. The latter has been for some considerable time in Paris and has easily defeated every one he has met, and counts many friends. A match between him and Burns would prove a big draw for the two meeting is very remote. McVea is to meet Johnson on the occasion of the Grand Prix automobile race at Dieppe on July 6 next.

On the continent, where soccer has been extensively adopted, they are keeping pace with the countries that claim the game as its home. The representative English team that is touring Austria, played at Prague June 20 and won easily 4-0. After the match the Czech spectators cracked and beat the referee severely.

Royals Again Make Hits Count Shut Out the Leafs by 3 to 0

Bisons Whitewash Bronchos— Newark and Jersey City the Other Winners—Scores.

MONTREAL, June 29.—(Special.)—The Leafs were blanked this afternoon, 3 to 0, mainly thru their inability to hit off-pole and thru disastrous errors at critical times. Some idea of their weakness at the bat may be gleaned from the fact that they had eight men left on base when the game was over, and that Stanley was and then again the Leafs were hit when bingles meant runs each of their doubles by Joyce and Corcoran resulting in tallies.

The locals fielded in grand style, pulling off two sharp doubles and some other hits that helped out Stanley materially. The Leafs scored in the first on a double by Joyce, error by Phyle and in the fifth they added another on a two-bagger by Corcoran and consequently the Leafs were in a position to win. With the last mentioned Corcoran worked the aces. Their last came in the seventh on a pass and a sacrifice by Evans and a bad throw by Pierce to Phyle to catch Jones stealing. Outside of Toronto's errors it was one of the prettiest games of inside ball seen here in a long time. Score:

Longboat's Entry Received.

MONTREAL, June 29.—(Special.)—I have been officially informed that Longboat's entry has been accepted for the Olympic Marathon in proper form, and that there is absolutely no doubt as to the eligibility of the Canadian for the Olympic games.

"He will be pitted against a hundred and thirty competitors representing at least ten nations: Belgium, Bohemia, Finland, France, Germany, Holland, Bulgaria, Italy, Norway and the United Kingdom."

The Toronto defence, especially Powers and Menary, are pretty well used up after the Capital game, due to the end of the sticks at the hands of Eastwood. However, they will be on tomorrow at Rosedale, where Shamrocks play Toronto.

Toronto and Tecumseh have agreed on W. Foran and W. McIntyre as officials for Saturday's match at Rosedale.

Shamrocks will have the advantage over the Toronto to-morrow, as they did not play Saturday, but Murphy's case can be depended upon to give the Irish a merry battle.

President Thompson of the N.L.U. hunted him the rules yesterday, but found nothing pertaining to the Taylor case. Referee Carbird will likely send in his report this morning, along with an apology from Taylor, which Taylor sent Carbird. It is likely the Taylor incident will be taken up by representatives of the seven clubs and while President Thompson, who saw the affair, would expel him for life, yet it is thought a year's suspension will be all that will be given him.

The Young Torontos will practice tonight at Rosedale.

Toronto were treated to a fast game Saturday at the island and to-morrow at Rosedale, another is in store for the local lacrosse cranks, when Shamrocks the Minto Club holders, play the Toronto.

The plan for the Shamrock-Toronto game is on sale at Nordheimer, East King-street, and at 189 Yonge-street.

The Indians made no mistake when they picked up Bobbie Gilbert.

A cornwall speech says: "The Cornwall lacrosse team are indulging in a good rest to-day, after their trip to Toronto and hard match on Saturday. They are in fine condition, trained to the minute and will not touch a stick till they line up against the Montreals here on Wednesday. The line up will in all probability be the same as in Toronto, also there may be one change. They are not at all over-confident and realize that they will have a hard struggle to beat the M.A.A.'s rejuvenated aggression."

Capitals and Montreals play a league game to-night at 7 o'clock at Jesse Ketchum.

Referee Carbird will not press the charge of assault against Fred Taylor.

The Bureks Junior C. L. A. team will practice to-night. All players are requested to be out as the team will be chosen for the holiday.

LACROSSE NEWS AND GOSSIP.

Delays of Different Lacrosse Players and Teams.

President Thompson of the N.L.U. has appointed Jack Kearns of Arthur referee and Ed. Baker judge of play for the Tecumseh-Capital game in Ottawa to-morrow.

Fred Taylor, who assaulted Referee Carbird at Ottawa Saturday, pleaded guilty in the police court yesterday and was remanded till Thursday.

Straight Heats at Stratford King Bryson, Ian Bar, Capt. Bars

Only Two Starters in Three Year Old Race That Was Finished In the Rain—To-day's Program

STRAITFORD, June 29.—(Special.)—Straight heats were the order at the opening of the Canadian Circuit races here to-day. There were three races on the card, the 230 trot, 250 pace and the 3-year-old pace, all early closing events with \$500 purses each. The racing began over a fast track with perfect weather, but before the first heat in the colt race, the last on the card, was called, a thunderstorm cut rain.

The attendance was nothing to brag about, but no doubt will be much larger during the remaining two days of the meeting.

The first race called was the 230 trot, in which the Toronto trotter, King Bryson, owned by Samuel MacBride, was a red hot favorite. In fact, he was at prohibitive odds, as he was barred in the auction block. With King Bryson barred the Stratford mare, Ethel Mac, was an odds-on favorite against the balance of the field, and cashed for her backers, as she was second three times to King Bryson.

The Monarchs colts-year-old colt, Ian Bar, sold favorite at 10 to 6 over the field of five pacers that scored for the first in the 250 stake and won off the field. Captain Mack, the reliance of the field buyers, was away off color, not being able to get even second money, while Ian Bar was even terms. The pair raced to the half in 1:06 1-2 with Ian Bar slightly in the lead. After that it was a case of Ian Bar in front all the time. Captain Mack acted very badly in this heat, making several breaks and landed next to last. Ian Bar was never headed in either the second or third heat, and he once more demonstrated that he is one of the best green pacers that ever started on a starting line.

The 3-year-old pacing stake divided down to two starters. Captain Bars, a brown colt, by Monbars, in Uri Pierce's stable, and Silver Joe, a gelding by the Bel, owned by Frank Strickler, of Tavistock. This Silver Joe, however, was nothing like his daddy, except in color. He was not past fast enough to make the Monbars youngster interested. The latter had worked last week at Listowel a fast mile with the last quarter in 2:13 1-2 seconds, which made him look much the best 3-year-old pacer in Canada. As the rain fell heavily during this race, particularly during the last heat and last heat, the time was necessarily slower than it otherwise would have been. The following is the summary of to-day's races:

230 trot, stakes \$500: King Bryson, b.g., by Bryson, Samuel MacBride, Toronto 1 1 1; Ethel Mac, b.g., by Dr. John MacBride, Stratford 2 2 2; Stratford (Kitchen) 3 3 3; Silver Joe, b.g., by Dr. John MacBride, Stratford 4 4 4; Ian Bar, b.g., by Dr. John MacBride, Stratford 5 5 5.

250 pace, stakes \$500: Ian Bar, b.g., by Dr. John MacBride, Stratford 1 1 1; Pierce (Pierce) 2 2 2; Campbell (Campbell) 3 3 3; Captain Mack, b.g., by Simon, E. C. Timmer, Chatham (Crumer) 4 4 4; Bert Keswick, b.g., by The Bel, Wick, W. R. The officials for the meeting are as follows: Judges, D. Barr, Sarnia; H. Cook, Mitchell, and F. Smith, Buffalo, N.Y.; Timmer, A. R. King, Geo. Larkworthy, Jr., and P. S. Robertson, Stratford. Starting judge, Frank G. Smith, Buffalo, N.Y.
