Magill of Rock Island County to Chicago, on what is said to have been a successful hunt for evidence. Two additional grand jury investigations in Cook and San Gamon Counties, as well as in Rock Island, now appear probable as a result of the new developments. Trails of alleged embezzlement are being followed by detectives into a dozen cities of Illinois and into two or three other states

cities of Himois and into two or three other states.

One sum of \$57,000, the entire reserve fund of the Order of Fraternal Tribunes, is said to have been whisked around the country for several months, before its final disappearance "into the ice cream," as one of the officers of the society described the process.

In addition to the fraternal tribunes, the American Home Circle and the Northern Life Insurance Co.; previously mentioned in the tangle, there were mentioned for the first time the Royal Benefit Society of Washington, which draws no color line; the Independent Order of Mutual Aid, whose \$70,000 reserve mysteriously disappeared when it was merged into another society, and the Farmers' Federation, which has also passed out of existence.

The report of Prospector Keen's death was confirmed by Dominion Constable J. S. McIntyre, who is in the city from Northeast Bay, Sturgeon Lake. The body was found last Thursday after having been in Lake report of Prospector Keen's Savant ten days.
