Premier Attempts

Lloyd George Strives to Secure German Renunciation of Turkey.

Vienna, July 2, via Amsterdam.—Commenting on the peace speech made recently at Glasgow by Premier Lloyd George, The Neue Freie Presse says: "The speech of the British premier is inferior from his former ones, because he for the first time shows the man an outline of his peace aims, namely, peace by understanding. The importance of the speech is that it is the first attempt made to sound Germany and Austria, that it is not without that artfulness which is Lloyd George's second nature."

"Germany is to be lured with the prospect of regaining her colonies if she renounces her greatest creation—the fruit of the speech in Asia Minor—and accepts separation from Turkey politically and economically."

Live Stock Market

With deliveries of 3400 head of cattle on the Union Stock Yards yesterday, coupled with the presence of the national and the strict enforcement of the 12 o'clock rule, limiting the time of trading to that hour, it is not to be wondered at if the market had a decidedly off-day and prices suffered a sharp decline.

The holiday may have much to do with it, but the fact remains that there was, as stated, a sharp decline, and prices fell away from \$6 to \$4 per cow, and in some cases there was a good 75c loss. The real choice lots of good butchers did not show a very great loss over the close of last week, but a fairly conservative estimate on all lines of cattle sold on the Union Stock Yards yesterday would probably be found to average up 50c all-around. One choice lot, for which \$11 was bid on the farm at Chatsworth last week and refused, was bid at \$11.50 yesterday. It is not to be said that top-notch cattle were off 25c and all other grades from 50c to 75c over last Monday's market.

The Swift Canadian paid \$11.90 for one load of extra good heavy steers, but \$5 for a known size was the top of the market.

The market for milkers and springers is said to have held fairly with last week's prices, the market yesterday ranging from \$10 to \$12 for milkers, and \$8 to \$10 for springers to \$95 to \$85 for milkers.

Sheep and Lambs.

The sheep and lamb trade was fairly steady, but heavy steers, but \$5 Heavy fat sheep are a drug, cho, and hard to sell at the market.

Choice veal calves sold from 14c to 15c; medium calves, 11c to 12c; grass and common calves, 7c; heavy fat calves, 7c to 8c; medium calves, 7c to 8c; reported as fairly steady with a moderate run.

Hogs.

There was a light run of hogs, 1,099 in all, and the price was from 16c to 16 1/2c.

Market Notes.

Hamilton's Chief manager Winnipeg's branch Swift-Canadian Co., was on the exchange yesterday, and met a number of commission men, and a number of other buyers, and will remain in the city for a few days before returning west.

Drovers and the western and central portion of the province report the crop looking fairly well, but they all agree that the early-lying lands are not doing so well. Heavy rains are likely to prove serious. Western hogs, especially which is very late and backward.

Total receipts yesterday were 175 cars, 3,410 cattle, 310 calves, 1,099 hogs and 210 sheep.
