

LANGUAGE CAN BUT FREELY DESCRIBE the pangs of Rheumatism. This malady is one of the most obstinate which tortures humanity, and yet there is a specific which will overcome it and prevent its recurrence. The name of this sovereign remedy is Dr. Thomas' Electric Oil, a combination of six of the best known medicinal oils, the remedial efficacy of which is not weakened by evaporation, since it contains no alcohol to render it volatile. On this account, as on many others, it is superior to all other liniments, lotions and other remedies used externally, and has this further advantage that it is used internally as well. It is an incomparable specific for Lameness, Stiffness, Burns, Bruises, Frost Bites and other bodily troubles treated outwardly, and is a grand medicine in throat and lung diseases.

CROUP.—Mr. Thos. H. Porter, Lower Ireland, P. Q. writes: "My son, 18 months old, had croup so bad that nothing gave him relief until a neighbor brought me some of Dr. Thomas' Electric Oil, which I gave him, and in six hours he was cured. It is the best medicine I ever used, and I would not be without a bottle of it in my house."

Mr. W. B. Hill, Cobourg, says: "I have used it for croup, and found it all you claim it to be; can also testify to its efficacy in relieving pains in the back and shoulders."

Mr. W. H. Dorland, Ash, writes: "One of my boys awoke me from sleep a few nights ago saying, 'I can't get my breath.' I got up and put some of Dr. Thomas' Electric Oil on sugar, which I gave to him, and in fifteen minutes he was better. I believe it to be the best medicine sold for Croup."

ASTHMA.—Mr. E. Birdsall, Canboro, writes: "For nearly four years I was troubled with Asthma so bad that for three or four nights at a time I would get little or no sleep, and would have to sit propped up with pillows. I tried three or four doctors, but without success, and no medicine seemed to do me any good, until finally I tried Dr. Thomas' Electric Oil by taking half a teaspoonful on sugar whenever I felt the choking sensation. It always gave me relief, and before I had used it six weeks I was completely cured, and have had no attacks since, now nearly two years."

DEAFNESS.—Mr. S. E. Crandell, Port Perry, writes: "I contracted a severe cold last winter, which resulted in my becoming totally deaf in one ear and partially so in the other; after trying various remedies and consulting several doctors without obtaining any relief, I was advised to try Dr. Thomas' Electric Oil. I warmed the Oil and poured a little of it into the ear, and before one-half the bottle was used my hearing was completely restored. I have heard of other cases of deafness being cured by the use of this medicine."

LUMBAGO.—Mr. W. W. Stephen, Meaford, Ont, writes: "Dr. Thomas' Electric Oil has gained a reputation in Meaford and surrounding country surpassing any Patent Medicine ever introduced here. The benefit derived from it in one case of Lumbago that I know of, will alone place it in the front rank of remedial agents."

Mr. B. N. Munro, Toronto, writes: "A short time since I was completely disabled by a severe attack of Lumbago; one application of Dr. Thomas' Electric Oil brought immediate relief, a second and third application effected a cure."

IT CURES PILES.—Mr. Parpetus Boileau, Ottawa, says: "I was radically cured of Piles, from which I had been suffering for over two months, by the use of Dr. Thomas' Electric Oil. I used it both internally and externally, taking it in small doses before meals and on retiring to bed. In one week I was cured, and have had no trouble since. I believe it saved my life."

For 15 years Mr. Thos. Brunt, Tyendinaga, Ont., writes: "I have to thank you for recommending Dr. Thomas' Electric Oil for Bleeding Piles. I was troubled with them for nearly fifteen years, and had tried almost everything I could hear or think of. Some of them would give me temporary relief, but none would effect a cure. I have now been free from this distressing complaint for nearly eighteen months. I hope you will continue to recommend it."

A Detective's Leap.—Mr. Thomas Flynn, Chief Detective Grand Trunk Railroad, says "Business called me a short time ago to a village near Kingston. While the train was in motion, jumped off; in so doing I alighted on the sloping part of the ballast, where the track had been raised, with such force as to severely sprain my knee. I was driven to Kingston, and had to be assisted to my room. I immediately procured a bottle of Dr. Thomas' Electric Oil, and although my leg was so badly swollen that I could not bend my knee, after three applications of this Oil I was out of bed and walked to the station. This was on Saturday afternoon, and on Monday I was able to attend to my business as usual. I also used this wonderful Oil for Sore Throat, and it cured it."
