FREE PUPILS

All candidates for free admission must be the children of poor Protestant parents in the Province of Quebec, and their application shall be considered by the Board of Managers.

Children elected for free admission shall receive their board and education gratuitously—the only expenses to the parents being that of clothing.

An engagement must be entered into by two responsible housekeepers to provide such children with proper clothing, and in case of sickness, death or any other cause which may be found to render children ineligible, to remove them from the Institution upon receiving due notice.
