

PRESBYTERY OF CHATHAM—

Florence and Dawn,—claim of \$50 for past six months,—disallowed.

PRESBYTERY OF BRUCE—

Manitoulin Island,—claim of \$820, balance of salary due Rev. H. McKay to 1st September, 1879. The Committee agreed to pay \$500, and appointed Mr. Tolmie to visit the Island to obtain from the people the remaining sum.

It appearing that several of the Supplemented Congregations and Mission Stations have neglected to contribute to the Schemes of the Church, the Committee resolved that none of the claims made for the past six months for Supplemented Congregations that are not contributing to the Schemes be paid until the Treasurer receives from such Congregations a contribution to the Home Mission Fund. The Committee further resolved, that the attention of Presbyteries be directed to the injunction of the Assembly requiring Mission Stations to contribute to the Home Mission Fund.
