

BAY QUINTE CONFERENCE AUXILIARY.

This Auxiliary holds its meetings on the St. Lawrence Camp ground. The one of 1881 was successful financially and in renewing the spirit of Missionary enterprise among the women of our Church in that part of our work. Some of our most zealous workers and liberal givers are connected with this Auxiliary. The secretary, Mrs. Wm Blair, was unable to attend the session of Bay Quinte Conference at Brockville or no doubt much encouragement might have been reported, as this year seems to have been one of increasing activity in missionary work in all its phases and branches.
