

With reference to Mr. Pomeroy's request, that the Trustees of the new parsonage at Compton be permitted to execute a special deed to him, promising that if the property be sold or diverted from its use as a parsonage, the same shall revert to him or to his heirs, or that the sum of \$150 be paid him or to his heirs.

Your Committee desire to express their appreciation of Mr. Pomeroy's generosity in giving a valuable lot to our church, and would recommend the Conference to grant permission to the Trustees to execute a bond securing to Mr. Pomeroy or his heirs the amount asked for; feeling assured that Mr. Pomeroy's object is simply to prevent the property falling into the hands of those hostile to the Methodist Church.

PEMBROKE DISTRICT.

The Trustees of the old church property in Pembroke desire to sell the lot on which the church stood, the proceeds to be applied to the new church. Also that the lumber and material of the old church be donated to the Mattawa mission.

Your Committee recommend that their request be granted, and would also express its very great satisfaction and pleasure at the liberality of the Trustees in assisting so generously the Mattawa mission.

ARNPRIOR CIRCUIT.—The Trustees of Dewar's church, McNab Township, ask permission to sell said church, proceeds to be applied to the church in Arnprior. Your Committee recommend that their request be granted.

All of which is respectfully submitted.

WM. HANSFORD, *Chairman.*

WM. J. JOLLIFFE, *Secretary.*

REPORT OF EVANGELISTIC SOCIETY.

The Committee appointed by the Evangelistic Society beg to submit the following report to the Conference:—

The agent of this Society, the Rev. David Winter, has during the year visited 16 circuits, viz:—Renfrew, Westmeath, East Bolton, Mansonville, Frelighsburg, Clarenceville, Knowlton, Edwardsburg, Avonmore, Pittsburg, Bath, Vankleek Hill, Lansdowne, Lunenburg, Napanee, and Cataragui, and two camp-meetings, viz., Clarendon and Arnprior, with very gratifying results.

Owing to certain circumstances the financial returns from the circuits have not been all that could be desired, hence the members of the Society were called on to pay the full amount of the Guarantee Fund, viz., \$4.00 per member, and when this call is responded to by all the members the year closes with a small amount in the hands of the Treasurer.
