A very quiet wedding was solemnized by Rev. R. McKinnon Wednesday evening at the bride's home, 530 Main street, when Miss Mary James, eldest daughter of Mr. and Mrs. Samuel James, was united in marriage to George Northrup of this city. The bride looked charming in a gown of white Japanese silk and bride veil of white French lace with orange blossoms. She was attended by her sister, Mrs. Cooke, also wearing white silk, and was given in marriage by her father. Only a few intimate friends were present at the ceremony.
The only decorations were two United Jacks crossed over the picture of the young hero, whose death in the Dardanelles the family are mourning. Mr. and Mrs. Northrup will reside in Carleton.

THE PUBLIC WORKS FUND
"My report that the money for repair work is exhausted did not mean that the department of public works is bankrupt entirely," said Commissioner Potts this morning. "All that I reported was that the money for repair work has been used up and that it will be impossible to go ahead with considerable work which I would like to undertake and which should be done."
"There is still a certain amount of money left for other purposes, and we will be able to carry on some of the work of the department, although on a reduced scale. For instance, when the appropriations were cut down in the spring, I reduced the number of street cleaners from twenty-seven to twelve, and now I have reduced them to seven. It has been necessary to abandon the use of the watering carts on Sunday also. This means that we cannot have the streets as clean as we would like, but we are giving the citizens the best service we can with the amount at our disposal."
"The men employed on repair work would be laid off later in the season anyway, and so the exhaustion of the funds merely means that they stop earlier than they would otherwise."

THE MINNIE SLAUSON LOST

Schooner Sunk on Voyage to St. John With Coal—Long in Coastwise Trade

Bound from Elizabethport, N.J., to St. John with 500 tons of coal for C. E. Colwell, the three-masted schooner Minnie Slauson, a veteran of the coasting fleet, collided with the Handkerchief lightship last night and sprang a leak. She then sought to put into Hyannis, Mass., for harbor, but grounded on a ledge and sank, probably coming to the end of her career.
The Slauson was in command of a St. John man, Capt. Purpee Dixon. A. W. Adams was local agent. She was built at Green Bay, Wisconsin, in 1867, and registered at New York. The captain and crew rowed to Hyannis this morning and reported that the ship had sunk in three fathoms of water after striking on Bishop and Clerks ledge, and that she would probably be a total loss. The schooner was very well known in St. John as she has been in the coasting trade for many years.

GIFT OF FOUNTAIN PEN ON LEAVING FOR YARMOUTH

Presentation to Mrs. Crowell at Fairville W. C. T. U. Meeting

Yesterday afternoon the monthly meeting of the Fairville W. C. T. U. was held at the residence of Mrs. Long, Church avenue. Mrs. J. H. Gray, formerly provincial president and an energetic past president of the local society addressed the gathering and her remarks were well received.
A report of the convention held recently in Newcastle was presented by the delegates, Mrs. Bennett of Ketchikan. At the conclusion of the regular business Mrs. Crowell, who expects to leave soon for Yarmouth, N. S., where she will make her home in the future, was made the recipient of a handsome fountain pen by the members of the society. Mrs. Crowell responded briefly. She has been very active as superintendent of the anti-saractic department and will be greatly missed in temperance ranks generally.
Rev. Dr. Crowell and family expect to leave Fairville about the last of the month.

The annual meeting of the Ladies' Aid Society of the Fairville Methodist church was held last evening. Mrs. S. A. Wrenell was elected president for the ensuing year and Mrs. McCumber secretary. Reports indicated the society to be active in all the branches and another successful year of endeavor is looked for.

LETTER FROM PTE. LOUIS SHARKEY

A letter received from Pte. Louis Sharkey, 14th Royal Montreal Regiment, by his mother here, told of his being at Digby Camp, recovered after having been ill in hospital with bronchitis. Pte. Sharkey said he had met a few of the boys of the 28th Battalion from St. John, including "Happy" Emery, and it had been a pleasure to meet them from home. Louis Gorman and John Marr of St. John were sleeping in the same tent with him.

THE PROPOSED HEBREW SCHOOL

An educational scheme meeting with hearty favor among the Hebrew people of St. John is the project recently launched for the establishment of a school for the purpose of keeping alive the language, traditions, history and ideals of that race. The project is not to interfere in any respect with the public school system, as while it is intended for the Hebrew children, they are to continue at the public schools receiving the benefit of the additional training after the regular school hours.
It is planned to have two instructors with lessons beginning probably at four o'clock each day, or several days each week, with a longer session on Saturdays. Just where the school would be held is not definitely decided, but the probability is that a hall would be secured for a time to be followed later by the erection of a building especially for the purpose if the success expected develops.

ALEXANDRA CIRCLE OF SOLDIERS COMFORT LEAGUE ORGANIZED

A new branch of the Soldier's Comfort League has been formed in North End, with a charter membership of fourteen, the infant in the ranks being known as Alexandra Circle. The enthusiasm with which the members are entering upon the work augurs well for its success as already they have accomplished considerable. Officers have been elected and committees appointed and all the members are taking actively to the preparation of the little "extras" which lighten the burden of the men at the front.
Mrs. Bond, of 48 Kennedy street, wife of Sergt. J. C. Bond, now in France with the Canadian Army Service Corps, is president of Alexandra Circle, and would be pleased to hear from any others desirous of joining and helping in the work.
A feature of the endeavors of the new circle has been to get the children in the homes of the members and their little school friends working in addition to themselves. They have been doing this by means of yards of ribbon so arranged as to be able to receive deposits of papers, each child to be given a yard of such ribbon to have filled in.
The little ones have returned many yards of pennies. The "soldiers" who have been doing this collecting are Marjorie White and Elsie Coleman, who have each returned three yards of ribbon filled; Marjorie Christie, John Andrews, Gertrude Andrews, Vera Roberts, Alice Hutchinson, Vera Campbell, each two yards; and Florence Lingley, Gertrude Gallop, Helen Dunham, Helen Black, Florence Gallop, Betty Jack Wilson, Phillips Andrews, Maude McLean, Muriel Scribner, Ruth Watters, Helen Gorrie, Lois McLean, Verne Watters, Isabel Gaskin, Frank Wilson, Ronald Roberts, Harry James, Helen Chasco, each one yard.
Mrs. A. L. Roberts, of Metcalfe street, is attending to this branch of the work of the new circle.
