

A WONDER PICTURE AT QUEEN SQUARE

"Quo Vadis" One of the Most Absorbing and Thrilling Productions Ever Screened, the Times of Nero Portrayed.

The motion picture "fan" of today demands thrills, adventure, love interest and "something to carry home and think about." In "Quo Vadis" he will get all of this and more. He will perhaps have more thrills than he ever had in one evening in his life; he will behold love that transforms base metal into pure gold; he will see the downfall of the most autocratic government in ancient times and the birth and spread of the Christian faith.

"Quo Vadis" is one of the most absorbingly interesting and thrilling productions that ever have been screened. It is correct historically, delightful artistically and perfect in detail and perspective, besides being a profound psychological study.

The scene is Rome in the time of Nero, most corrupt of the Caesars, when the Eternal City was the melting pot of the world. The contrast between Nero and the Apostle Peter, the Emperor Poppaea Augusta and Lydia, the Christian maiden, with the transformation of Vespasian's life and character through his love for Lydia are as vivid

WAS TROUBLED WITH HER STOMACH FOR FIVE YEARS

Mrs. Samuel Ward, Millersdale, Sask., writes: "I feel that I must write to you before another day passes. I am so happy and so grateful to your splendid medicine, Burdock Blood Bitters, for after an illness of five years I am better."

I had stomach trouble so bad I could not bear the smell and taste of food of any kind, and got so thin and weak I could not work. I had four doctors attend me, but they did me no good. I was in no pain, but felt so ill, at times, I thought I would die, in fact, all my friends were sure I could not live many weeks.

This time last year I saw where a man was relieved of stomach trouble by Burdock Blood Bitters, so I bought a bottle. I had no faith in it after all the different medicines I had taken. However, he insisted, and after the first two days I began to feel better, and after the first bottle I felt so much better I went out a little every day, but could not go alone. I was so weak, but I soon got so I could walk and eat, and have got quite stout. I am nearly seventy years of age and I feel better than I have for years, and can now do all my housework.

You may make use of this letter if you wish, as it may be the means of making others as well and as happy as I am.

as anything in the drama or in literature. The scenes are tremendously real and spectacular. Nothing more realistic has ever been accomplished in photographic art than the portrayal of the great royal banquets, the burning of Rome and the scenes in the arena—judicial contests and the feeding of the Christians to the lions.

This great production will be shown for the last three times today at the Queen Square Theatre.

GOVERNMENT HAS APPROVED MERGER OF TWO BIG BANKS

Ottawa, March 20.—The government has approved the merger of the Merchants Bank and the Bank of Montreal. It was announced tonight by Hon. W. S. Fielding, minister of finance. In his report to the cabinet on the merger, Mr. Fielding touched on recent banking troubles, and the government's unwillingness to recommend further restriction of competition by the amalgamation of any two of the larger banks. From this point of view the proposal to unite the Bank of Montreal and the Merchants Bank was open to objection. On the other hand, failure of the government to confirm the agreement would create a situation in which the shareholders of the Merchants Bank would almost certainly suffer further loss and probably a condition of alarm created concerning Canadian banks generally. For these reasons, the government decided to approve the merger.

HISTORIC BARK GRAY HOUND IS LOST AT SEA

New Bedford, Mass., March 20.—The bark Gray Hound, second oldest whale steamer, has been lost at sea off the coast of Guineas, according to a cablegram received here from St. Vincent (B. W. L.). All the crew was saved. The Gray Hound which had hunted whales in every sea had been operating since 1920 as a Cape Verde packet. She sailed from this port last November for the Cape Verde Islands, and later left the islands on trading business to the coast of Africa.

The bark Gray Hound was built in 1851 at New Bedford. She registered 109 tons net and 178 gross. The bark figured in several exciting adventures during her career of seventy-one years. During the United States civil war she escaped sinking by the Confederate warship Alabama, speedily driven by Captain Simms engaged in sinking several of her consorts. The Confederates succeeded in sinking the great part of the New Bedford fleet of whales which was very large when the war began.

WILL FIGHT DEEP WATERWAYS PLAN

(Canadian Press Despatch.) Ottawa, March 20.—A deputation representing the Montreal Board of Trade, Montreal Chamber of Commerce, the Shipping Federation of Canada, the boards of trade of Quebec and Hull, accompanied by the Mayor of Montreal, Quebec, Hull, and Alton, speedily interviewed Hon. W. S. Fielding, acting prime minister, and members of the cabinet in support of Premier Boucher's plan of deep waterways. The deputation will protest against the construction of the deep waterway at the present time and against alienation of any of the water powers of Quebec. The point will be taken that if a canal is to be constructed it should be by an all-Canadian route and one of which all the powers will be used for the benefit of Canada.

SYDNEY ALDERMAN WAS NOT DRUNK

Sydney, N. S., March 20.—After a series of sensational hearings which have attracted the largest attendance seen in local courts for years, Alderman M. A. MacKenzie was today completely exonerated by Judge Muggah, who dismissed the charge of intoxication preferred against the alderman by a city policeman. The affair rose out of the recent civic elections. Immediate action against the policeman for malicious prosecution will be taken.

ST. JOHN, N. B.

AMATEUR PLAY IN WEST ST. JOHN

The annual play in honor of St. Patrick's memory and for the benefit of the orphans was produced last night in St. Patrick's hall, w. c., by members of the Church of the Assumption congregation, the presentations being attended by a large number, who were delighted with the handling of the roles in "The Private Secretary," the vehicle chosen, and particularly with the work of the orchestra under the direction of F. Wadlington. This organization, although created only last September, has made great strides under the management of Messrs. Joyce, Kellie, and Owens, who were the brunt of the work in the play and did exceedingly well.

The cast of characters follows: Mr. Marsland, E. Fitzgerald, Harry Marsland, Edward Morrissey, Mr. Cattermole, S. J. Joyce, Douglas Cattermole, F. C. Owens, Robert Spalding, private secretary, James Kellie, Sydney Gibson, Walter Ring, John, a servant, C. Quinn, Knox, J. Coughlan, Edith Marsland, Miss B. Farren, Eva Webster, Miss M. Farren, Mrs. Stead, Miss L. O'Reilly, Miss Ashford, a spiritualist, Miss Susie Murphy.

The scenes are: Act I—Found—Douglas Cattermole's chambers; Act II—Full Cry—Mr. Marsland's country seat; Act III—Run to Earth—Same as Act II. F. J. Joyce is manager. The play will be repeated this evening.

NO ANGLO-U. S. AGREEMENT

(Canadian Press Despatch.) Washington, March 20.—Charges of an agreement between the United States and Great Britain to act together in any case arising under the four power Pacific treaty brought on another storm of debate today in the senate.

Senator Borah (Republican, Idaho), started the fireworks by reading a statement said to have been made by Paul D. Cravath, a New York lawyer, saying he had "been told by every member of the American delegation" that an understanding for future co-operation between the two governments in any emergency in the Pacific had been reached at the arms conference.

The assertion promptly was denied by both Senators Lodge (Republican, Massachusetts), and Underwood (Democrat, Alabama), both of whom were members of the delegation.

ANOTHER LOCK ON THE BACK DOOR OF UNCLE SAM

Washington, March 20.—That United States immigration laws will be changed so that aliens will be required to live five years in "contiguous territory" before they can be admitted is an announcement made by Chairman Johnson of the house committee on immigration. This will check large numbers of aliens, under the present law, remain in Canada, Mexico or Cuba for one year, and are then eligible to enter the United States.

NEEDLESS ALARM

Another needless alarm was added to the list last evening when a careless citizen noticed smoke issuing from what he supposed was the roof of Mrs. A. Seely's house at 22 Queen street, but he failed to take the trouble to investigate and find out that it was from the chimney. He rank in the alarm from Box 35 at 7:18 o'clock and the department quickly responded. The residents of the house were amazed when the fire-fighters appeared at the door and asked the whereabouts of the blaze. After a brief examination, it was shown what had caused the trouble. This is the second unnecessary signal that has been sent in from this box within the last two weeks.

W. E. BASKET SOCIAL

The basket social under the auspices of the King Edward Lodge No. 30, "Prentice Boys' Association, in their hall in Guilford street, last evening was attended by more than 300 persons. The affair was a complete success. The committee in charge was composed of W. H. Price, F. Carvell and Edwin Clark.

RHEUMATISM vs. T.R.C.'s

Rheumatism and similar troubles invariably yield to this T.R.C.'s (Templeton's Rheumatic Capsules) treatment. Many doctors and many hundreds of druggists from coast to coast will confirm this truth. The hundreds of testimonial letters in our files show that T.R.C.'s have successfully treated Rheumatism, Lumbago, Neuritis, Sciatica and acute Neuralgia of all kinds. But the best evidence is your own experience. If you suffer we want you to try this guaranteed non-injurious remedy at our expense. Druggists sell T.R.C.'s \$1.00 per box. For free trial write T.R.C. FOR EMERGENCY PREPAREDNESS

Miss V. M. MacDonald, who is the emissary of the Canadian Red Cross, in the launching of the emergency preparedness programme which the society is seeking to establish with the co-operation of existing agencies, addressed informally a gathering of the heads of women's organizations at the residence of Mrs. C. B. Allan yesterday afternoon, when she was the guest of honor at tea, and in the evening she spoke to the St. John chapter of the Graduate Nurses' Association at its regular meeting in the nurses' home of the general public hospital. On both occasions Miss MacDonald greatly impressed her hearers and the cause she advocated was given ready sympathy.

Mrs. C. B. Allan received her guests and a delightful opportunity was given them to have an informal talk with Miss MacDonald. Mrs. F. C. Beatty presided at the prettily appointed tea table and those assisting in the serving were Mrs. Wetmore Merritt, Mrs. Ernest Bowman, Miss Mabel Thomson and Miss E. H. Jarvis. Mrs. McKinnon, of the Halifax Council of Women, also was a guest and welcomed.

At the meeting of the nurses' association in the evening, Miss MacDonald, president of the provincial chapter, was in the chair and Miss MacDonald suggested that the association should arrange for the enrollment of all nurses in the province so that they might be available for service in any part of Canada for emergency relief. A committee of three was appointed by the association to attend the next meeting of the Red Cross society to obtain information as to the scheme the society proposes to follow in this province. Miss MacDonald also spoke of the national memorial to the nurses who lost their lives in the war. Miss MacDonald leaves this morning for Prince Edward Island and will speak at Charlottetown. She has nearly completed her tour of the province in the interests of emergency preparedness and everywhere has met with encouraging support.

Dispitch Fails to get Farm and Bride, so Must Go Home.

Sarnia, March 17.—Dirty, ragged and inebriated, Louis Dispitch of Missouri, came to Canada for a farm and a bride. Several sprightly young ladies who saw him land looked him over and turned away. They didn't know that \$640 was tucked away in his faded blue jeans; that he had come to choose a bride, and set himself up on a Canadian farm.

Immigration officials, however, were also "from Missouri" and deemed this insufficient to launch his enterprise, so Louis was forced to return and find his farm and bride elsewhere.

FAIRVILLE EPWORTH LEAGUE

The Epworth League of the Fairville Methodist church had a much enjoyed programme at its meeting last night and there was a large attendance of members. Rev. J. M. Rice, the pastor, was the chairman for the evening and William McIntosh delighted the gathering with an illustrated lecture on a trip down the St. John River.

TRINITY YOUNG WOMEN.
The Young Women's Guild of Trinity church had an interesting programme at its meeting last night. Miss Ethel H. Jarvis showed the slides, "Our Church at Work," which portrayed the work of the church in the mission fields overseas and in Canada and she also gave an interesting address on missions. An appeal for clothing and bedding for Grenfell missions was received and it was decided to send some articles of clothing, but no definite plans were made as to the nature of the articles. There was a large attendance of members at the meeting and Miss Dorothy Robson, the president, was in the chair.

Young Girls Need Care

FROM the age of twelve a girl needs all the care the thoughtful mother can give. Many a woman has suffered years of pain and misery—the victim of thoughtlessness or ignorance of the mother who should have guided her during this time.

If she complains of headaches, pains in the back and lower limbs, or if you notice a slowness of thought, nervousness or irritability on the part of your daughter make life easier for her.

Lydia E. Pinkham's Vegetable Compound is especially adapted for such conditions. It can be taken in safety by any woman, young or old.

Cobourg, Ontario—"Lydia E. Pinkham's Vegetable Compound was recommended to me for my daughter. She had trouble every month which left her in a weak and nervous condition with weak back and pain in her right side. She had these troubles for three years and frequently was unable to attend school. She has become regular and feels much better since she began taking the Vegetable Compound, and attends school regularly. She is gaining steadily and I have no hesitation in recommending Lydia E. Pinkham's Vegetable Compound to others, as it has done so much for my daughter."—Mrs. JOHN TOMS, Ball St., Cobourg, Ont.

Hamilton, Ontario—"When my daughter was thirteen and until she was fifteen, she suffered every month so that she could hardly move around the house, and when she would have the pains in school she would have to be carried home. She also had headaches, dizzy and faint spells, and soreness in her back. I saw your advertisement in the 'Hamilton Spectator' and got Lydia E. Pinkham's Vegetable Compound for her. She does not have the least bit of trouble now, and we recommend your medicine. She works in a candy-shop now and seems well and strong."—Mrs. L. P. CLARKE, 83 Oxford St., Hamilton, Ontario.
