50,000 More Starving Russian Children

have been allotted to the Save the Children Fund workers in the
famine area about Saratov, by the All-British Committee.

At present, the generosity of the Canadian people has
enabled the Canadian Committee of the Save the Children Fund
to provide sufficient food for 75,000 children in Russia, who
would otherwise have died from starvation.

Now that the Russian Relief Fund (including the British Red
Cross), the Friend's Relief Mission and the British and Canadian
Save the Children Funds have been united under the direction of
Sir Benjamin Robertson, more work is being undertaken and
there is a corresponding increase in the demand for funds.

There is absolutely no hope that Russian children can be
helped by Russia itself, until the harvest which comes at the end
of August. So it is imperative that money and food continue
to be sent through the Canadian and British Organizations right
through the summer.

Will you give something?
25c will feed a child for a week. \$1 will ensure sufficient
food for one child for a month. \$500 will establish a kitchen in
the famine district and feed 100 children until the next harvest.

Cheques and money orders may be forwarded through the
local committee, your bank or sent direct to Sir George Burns,
Treasurer, Save the Children Fund, Elgin Building, Ottawa.

All subscriptions are expended in Canada on Canadian Foodstuffs.

"As your mind is, so are you," said a
great philosopher. Men and women
take varying degrees of pleasure in driving
an automobile, and the pleasure varies
with the degrees of complacency and com-
posure which fill the mind. What is the
object of touring? Pleasure. But there's
no pleasure touring in a car loaded (or
shod) with worry. If your mind is uneasy
about your tires, you are not enjoying
yourself. Put your mind at peace and
sit back luxuriously behind your wheel
and let the accelerator do its bit; it's all
right, you're safe, and you know it, if
your car is flying along on "Gutta Percha"
