LARGE NUMBER AT NETHERWOOD

Programme at Closing School Exercises at Rothery Much Enjoyed

Bishop Richardson Praises Valedictory by Miss Helen Connell—Prizes Announced.

Closing of the Netherwood School for Girls on the grounds at Rothery yesterday afternoon enjoyed an exceptionally large attendance. There are eight members of this year's class: Misses Ruth Harrison, Margaret Peters, Helen Connell, Marjorie Shaw, Muriel Tapley, Constance Watson, Elizabeth Jones and Marguerite Blight. The principal address was made by Bishop Richardson, while short speeches also were given by Miss Susan Ganong, principal, and Rev. F. J. LeRoy. Previous to the presentation of prizes and the addresses, a short programme was given, those taking part including Miss Betty Condon and Miss Constance Watson, as reported yesterday.

THE VALEDICTORY.

Miss Helen Connell for the theme of her valedictory took the words of Longfellow, concerning the maiden with reluctant feet standing where the brook and river meet. She pictured the sheltered school days at Netherwood and the coming entry upon the broad stream of life where the chart received at Netherwood would serve as a sure and certain guide. The class of 1925, she said, would go forth with hope and high courage, striving to live up to the school motto, and the graduates would deem themselves indeed fortunate if they were able to reflect credit on their school.

BISHOP RICHARDSON.

Bishop Richardson in his address congratulated the school upon the success it had attained, and upon its growth, and congratulated Miss Ganong and her colleagues on the school's achievement. While he felt the public school system of the province had great merit, of necessity the public schools must deal with pupils en masse, and he felt that Netherwood in caring for its pupils as individuals was contributing something very much worth while to the province.

In turn he congratulated the pupils, the staff, the association and those who had not won prizes, but would work hard and win them next year. In congratulating the graduates he declared that one reason why Netherwood had done so well was because of the spirit of love and loyalty found in the "Old Girls." Netherwood had always stood for the type of French womanhood, and he and every parent was proud of the school.

Bishop Richardson told the graduates they would find they were not going out to the joy of freedom, but to encounter the beginning of restrictions when they tackled the problems they would face in the world. But he believed the next five years would be the happiest in their lives, and he warned them that in those years they would acquire habits and principles which would decide their future. He gave special praise to the valedictory, declaring it to have been the best delivered and best thought out valedictory he had heard. In closing he prayed God's blessing might rest upon the pupils and the school.

PRIZES PRESENTED.

Rev. F. J. LeRoy presented the prizes for French and spoke of his pleasure in hearing so many pupils who had made honors in French. He looked forward to the time when the rising generation would know how to speak French and the two nations English and French would be drawn closer together. He was glad Netherwood had blazed the trail in having its pupils learn the French language and not merely the French of books. In such teaching he thought the pupils got nearer to the heart of the French people. He felt he had a part in Netherwood since his sister was the teacher of French there.

Miss Ganong presented the badges to those who had been most helpful throughout the year and presented the leaving certificates to the eight members of the graduating class, who have McGill matriculation standing with advanced work in special subjects. She said she must speak in defence of the young people of today who were being so much criticized and would say that she found they were more delightful than any other.

Miss Alice Walker presented the prize which is given by Dr. Francis Walker. She explained that this year it was given for reading only, instead of as in former years for reading, writing and spelling. Dr. Walker believed that of the three, reading was of first importance and being unable to be present he sent his good wishes for the winner of his prize and for the school.

TROPHY GIVEN.

Others who made the presentation of prizes were Mrs. D. W. White, on behalf of the "Old Girls' Association; Mrs. F. R. Taylor, who presented the basketball trophy to Miss Dorothy Bell's team; Miss A. Bernice Dennis, who presented the shield won by the white team, captained by Miss Ruth Harrison; and Mrs. H. W. Heans, who presented the prize given by the class of 1911.

RAISED CHECK CASE GONE INTO

Four Witnesses Heard for the Prosecution at Yesterday's Hearing

Witnesses Tell of Lampert's Actions and Conversation at Quebec Last Month.

The preliminary hearing in the case of Max Lampert charged by David Carleton with forgery was resumed in the police court yesterday afternoon before Magistrate Henderson. K. A. Wilson appeared for the prosecution and G. E. Logan for the defendant. The case will be continued on June 20. David Carleton was the first witness and testified that on May 25 he and the accused attended a bridge party and witness borrowed \$18 from Lampert. Later in the night Lampert asked for the money back and witness said to see him in the morning. Carleton was leaving for Quebec and Lampert met him at the depot. Witness said that he had not cashed the check for \$18 Lampert doing the writing, as witness could not write in English although he could sign his name. Since that time the original check was changed from \$18 to \$113. Witness said that afterwards he had made out a check for \$96.25, and when it was presented and he had learned that his account had been overdrawn it was then discovered that the check he had given to Lampert had been raised. Later, while in a Quebec hotel in company with Lampert, Herman David and Romeo Drolet, witness offered to purchase an automobile tire from Lampert and offered a check for the amount, but Lampert refused a check saying that he could not cash it in Quebec but could if he was in Saint John.

CHECK RAISED.

Witness then produced a telegram he had received from Saint John informing him that the \$18 check he had given to Lampert had been cashed for \$113. He showed the telegram to Lampert and accused him of raising the check. Lampert said, "You owe me \$2,000 and that's the way I got some of it." Lampert further said that he did it to get money out of witness. Carleton said that he obtained the cashed check from the Standard Bank when he returned to Saint John from Quebec, and identified the check when produced in court as the one he had given to Lampert, and pointed out the changes that had been made to it.

To Mr. Logan witness said that he was Lampert's brother-in-law, and they had been fighting for a long time. Witness said that he had Lampert arrested in Quebec early this morning because Lampert had a revolver and threatened the life of witness. Lampert was placed in jail but witness did not say that he would accept \$100 to withdraw the case. He did withdraw the case, however, for the reason that Lampert's wife was ill. Later on, he said, when Lampert sent him goods to the amount of \$1,000 and charged witness with having him arrested falsely and Lampert made the statement that he had done it to show that he was right.

HERMAN DAVID.

Herman David, a resident of Boston, testified that he was in conversation with Lampert in Quebec on Thursday, June 4 about Carleton, when Lampert arrived from Saint John and Lampert said, "I fixed Carleton, he owed me \$13. I went to the train to get my money. I caught him at the train. I asked him for \$13 and he said he had no cash. I asked for a check. He put down \$13 on the check and signed it, then I added a 1 and made it \$113, took it to the bank and cashed it."

ROMEO DROLET.

Romeo Drolet, a resident of Quebec, testified that on June 2 he was in a Quebec hotel room when the accused, Max Lampert, about an automobile tire, and when Carleton offered a check to Lampert the latter said that he wanted cash money, and Carleton said, "You got a check from me for \$13 and cashed it for \$113 instead of for \$13. Lampert replied, 'You owe me \$2,000. I had to do it because I have received nothing from you yet.'"

G. L. DAWSON.

G. L. Dawson, accountant with the Standard Bank, Saint John, was called and said that Carleton had an account with the bank. The check was produced and identified by the witness as one that had been presented at the bank. At this stage of the hearing Mr. Wilson and Mr. Logan informed the court that as the persons involved in the case had another case coming up in the Quebec court, that Mr. Dawson could be recalled to produce the bank records, and further that the teller of the bank who cashed the check would be called to testify, they asked that the preliminary hearing be adjourned until a later date. This was sanctioned by the Magistrate, and the case will be resumed on Saturday, June 20, at 10 o'clock in the morning.
