

The Bishop Strachan School

FOR THE

HIGHER EDUCATION OF YOUNG LADIES,
WYKEHAM HALL, COLLEGE AVENUE,
TORONTO, CANADA.

THIRTY-THIRD YEAR.

Governing Body: The Right Rev. the Lord Bishop of Toronto,
President, and a Council of Clergy and Latté.

LADY PRINCIPAL

MISS ACRES.

THE object which this School was established to fulfil was that of giving a thorough general education based on Church principles, and though the scope of such an education has steadily widened since the year 1867 when the School was founded, the School has constantly kept pace with the demand by the addition of subjects to its curriculum, and the adaption of its methods to the changing needs.

SITUATION.

The School is situated in large grounds, which afford ample space for tennis courts, a bicycle track and other means of recreation, and insure pure, healthy air even in a populous centre. The cars of the College Street route stop at the main entrance and afford ready connection with the Belt Line, Yonge Street, and the Union Station.

The sanitary arrangements are modern and very complete, new and extensive bath rooms having been added, together with a system of ventilation which has proved remarkably satisfactory.

It having been the object of the original promoters of the School to establish a Church School where good tuition could be obtained at as low a price as is consistent with efficiency, no greater fees are charged than will cover the cost of management; whatever profits may accrue will add to its efficiency.
