

TO BE SELECTED BY COMPETITION

ARCHITECT FOR THE CARNEGIE LIBRARY

Will Be So Chosen—Former Resolution Formally Rescinded—Aldermanic Views on Subject.

The architect for the Carnegie library is to be selected by competition...

Seconded by Ald. Vincent, Ald. Barnard moved that the resolution...

Ald. Stewart strongly opposed the competitive plan system...

Ald. Cameron agreed with the previous speakers...

Ald. Yates opposed the resolution...

Ald. Cameron seconded the amendment...

The Mayor explained that the main objection was against the draft act...

The Mayor appointed the following to act as the committee...

Previous to the consideration of this question two letters were received...

Gentlemen—As one of those who signed the paper suggesting that an architect be selected from among those in the city...

Success does not always tend to wisdom. Why, may I ask, did he not enter the competition for "St. George's Castle"?

know. In conclusion, allow me to make a few remarks as to Mr. Rattenbury's attitude. It seems to me he is inclined to pose. Success does not always tend to wisdom.

NO IMMEDIATE DANGER

Official Report of Mines

Wm. Pearce, D. now at Frank, Alberta, April 30. extends across the valley a mile from the front to a site at the extremity there will be no further. There was no earthquake. Men have been seen any flood in the town. The latest estimate.

Frank, Alberta, April 30. The night passed without disturbances, save for one heavy shot from the moon. This morning as soon as we got together a meeting of trade and citizens was their carry on the work of union Superintendent of M. of Calgary, arrived here hour this morning, and before being called had men at levels with the idea of a chance of a flood, which threatening danger, the Mr. Pearce stated that no immediate danger from the Should rains set in, however, might become a serious river channel is piled high with a great distance. Both the Old Man's river and Gold now emptying their waters above the lower tunnel, and is rising slowly.

A pack train road is being from here to the terminus of R. on the eastern side of the Supt. Taylor, of the C. P. R. charge, is rushing matters to a safe speed. All mails for being are to be brought in from pack horses, and Inspector of the N. W. M. P., who is in company with Inspector Douglas attachment of 16 men from states every possible assistance given to facilitate a regular service on the road.

At this morning's meeting Manager McCarty, of the penny, and Inspector of Mines Smith, of Calgary, were make an inspection of the moon as possible in conjunction W. Leach, geologist of the Coal Company. This inspection take place to-morrow morning party will climb the mountain if possible if there is any of a second slide.

A resolution was passed at the meeting endorsing the cop police if they deemed it necessary to be more stringent in the of the liquor traffic. A great rougher element are in town are also a great number of vi have come for the purpose of so and all the hotels are crowded general business is at a standstill. Telegrams were received from Frid Laurier, J. A. Smart, H. Haultain, the latter saying he in Frank to-morrow night Frank, of Batte, wired conditions to spare no expense to st tumbled miners.

Manager McCarty, donates the relief work. In an interview morning Manager McCarty's white he was not prepared to specially for the immediate future company he could state officially mine could be put in good work for about \$500. This refers, of only to the interior of the mine damage outside to plant and will total up to about \$100,000. The secretary of the board instructed to notify the various of trade that nothing in the valleys is needed, but there is a per bed and other relief which demand immediate attention.
