LESSON VI. - February 5. GOLDEN TEXT. Jesus said rnto him, Thy son liveth:

and himself believed, and his whole house.-John 4: 53. THE SECTION includes only the lesson, with a glanc

over Christ's ministry through miracles of mercy. PLACE IN THE LIFE OF CHRIST. Probably at the beginning of the econd year of Jesus' public ministry. It was at the beginning of the great

Galilean ministry, which lasted about a year and nine months. HISTORICAL SETTING. Time.-A. D. 28, early in January, or late in the previous December.

Soon after the last lesson. Place.-Cana, a village among the hills of Galilee; and Capernaum, a city twenty or twenty-five miles to the northeast, on the shore of the sea of Galilee. Jesus, 31 years old.

THE NOBLEMAN'S SON HEALED. John 4: 43-54. Commit verses 49-51.

43. (a) Now after two days He departed thence, and went into Galilee. 44. For Jesus Himself testified, that a prophet hath no honor in his own country. 45. (b) Then when He was come in-

to Galilee, the Galileans received Him, having seen all the things that He did at Jerusalem at the feast. 46. (c) So Jesus came again into Cana of Galilee, where He made the water wine. And there was a certain nobleman, whose son was sick at Ca-

pernaum.

47. When he heard that Jesus was come out of Judea into Galilee, he went unto Him and besought Him that He would come down, and heal his son: for he was at the point of death. 48. (d) Then said Jesus unto him, Except ye see signs and wonders, ye will (c) not believe.

49. The nobleman saith unto Him, Sir, come down ere my child die. 50. Jesus saith unto him, Go, thy way: thy son liveth. And the man believed the word that Jesus (f) had spoken unto him, and he went his

him. 53. So the father knew that it was at the same hour, in the which Jesus said unto him, Thy son liveth; and himself believed, and his whole house. 54 This is again the second (1) miracle that Jesus did, (k) when He was come out of Judea into Galilee.

(1) Either His own country means Judea, his religious home; or (2) it means Nazareth, and gives the reason why He went to other parts of Galilee; or (3) it refer to Galilee, and means that Jesus had no honor there till He had acquired it in Judea. Having seen all the things that He did at Jerusalem at the feast, which the Galileans were accustomed to attend. The feast must be that referred to in 2: 13-25 and chap. 3: 1-22. And many things, doubtless, were done at that

time which are not recorded (2: 23). (1) The faith that led these Galileans to receive Christ was founded on what they had seen and known. BOSTON, Jan. 25.—The Dominion Atlantic Railway company, as well as the local rollee, are very much exercised over the whereabouts of David J. White the cashier of the refliway company at their wharf office in this city, who, it is claimed, left the city Jan. 16 with his accounts showing a shortage of nearly \$2,000.

The local police impectors were notified and they began a search for White about the city. They soon found, however, that White had left his home in east Boston with his wife on Jap. 10, the day before the shortage was found. He was traced as far as the Park require station, where he checked his trunks to New York and probably went with them on the same train, but after that the trail was lost White has been in the employ of the Dominion company for a number of years, and has always been considered trustworthy.

Much of the furds which it is claimed. White appropriated were in the nature of prepaid freights from connecting lines, but the loss will fall entirely on the Dominion company, who in turn its protected by a strety company.
