Ansell T. Baker, local manager of the General Rubber Goods Department, Dominion Rubber System, Limited, has been promoted in the service and transferred to Montreal, and will have his headquarters either in that city or Ottawa. If he remains in Montreal, he will probably take full charge of the mills in Quebec Province; but if he is located in Ottawa, it is very likely that he will look after the Government work there.

**POPULAR PROMOTION**  
This very important promotion is a well merited one and his many friends wish him every success. This is one of the many promotions which have been made by this corporation, in which St. John men have largely figured; and the removal of Mr. Baker will be a serious loss to the interests of the city. Of sound business judgment, keen in the analysis of business propositions, he will no doubt do well in his new position.

Mr. Baker is now busily engaged in packing his furniture, preparatory to his departure from St. John, and is selling his home in Westfield. Mrs. Baker will also leave St. John at an early date.

**THE COMMERCIAL CLUB**  
At the meeting of the Commercial Club this evening, in the G. W. V. A. Hall, the subjects which will be introduced and discussed by the members are the Chris Edger and the Overhead Crossing on Douglas avenue. These matters are of the utmost importance to the City of St. John.
