BROKEN-NERVE NERVES

Hopeless Condition Cured by "Fruit-a-lives"

Milford Haven, Ont., Aug. 20, 1910. "I was a complete invalid, these years ago, with Stomach Trouble, Constipation and Broken-down Nerves. I could not sleep at night and my Doctor did me very little good. I was almost helpless until I began to take 'Fruit-a-lives' in small doses. I have taken about three dozen boxes in all, and think today I am well and strong—able to do my own work—and have a baby fifteen months old, and six children in all."

"I would not be without 'Fruit-a-lives' in the house, and I can highly recommend them to anyone suffering as I did."

MRS. D. GUINEY.

Nervousness is not a disease in itself, but is the result of some of the vital organs becoming diseased. In Mrs. Guiney's case, her nervous condition was caused by a very weak stomach and torpid liver. "Fruit-a-lives" strengthened her stomach—helped digestion—made the liver active—and cured Constipation. Then her nerves became well.

If your nerves are "all unstrung" take "Fruit-a-lives" in a box for \$2.00, or in trial size 25c. At all dealers, or from Fruit-a-lives Limited, Ottawa.

The harvest season of the season is in progress here today. Rain being falling about 7 o'clock Tuesday evening and at 12 o'clock today the steady downpour has continued, the rain falling from James McWilliams, L. C. R. farmer, lost a valuable team horse this week. The animal got its halter rope caught under the shoe on one of its hind feet while in the sled during the night and in its struggle for freedom strained its back so badly that nothing could be done for it.
