From Saturday's Second Edition.

Address to the Lt. Governor—His Honor's Reply.

At 2.30 p. m. Saturday, His Honor the Lt. Governor entered the Common Council Chamber accompanied by his A. D. C. Col. Saunders and Capt. F. Ring. A number of the officers of the 62nd and of the Batteries of Artillery acted as a guard of honor.

The Mayor entered attended by the Recorder, Common Clerk and Board of Aldermen. The Common Clerk read the following address:

To His Honor the Honorable Samuel Leonard Tilley, C. B., Lieutenant Governor of the Province of New Brunswick.

MAY IT PLEASE YOUR HONOR: We the Mayor, Aldermen and Commonalty of the City of St. John embrace with pleasure the first opportunity afforded to us of tendering to Your Honor as Lieutenant Governor of the Province a hearty welcome to this City of which you have been for so long time a friend; and with which your relations, social and political, have been for many years most intimate.

We see good grounds for congratulating you on your advancement to the highest position in your native Province, a position you are so eminently qualified to fill with advantage to our varied Provincial interests, a perfect acquittal to the long public life.

You have represented this City in the Provincial and Dominion Parliaments for a period extending over nearly a quarter of a century, and during that long period you have been the constant and able administrator of public affairs, in the discharge of which you have shown a high degree of energy, coupled with an earnest desire to advance the prosperity of the people of this Province, and we feel assured that you will lose no opportunity of strengthening those ties which bind to the empire of which it is our pride to form a part, and of inculcating and cherishing those feelings of loyalty to the Sovereign, and attachment to the throne, that from our earliest history have been pre-eminent in New Brunswick.

We desire to express to Your Honor our earnest wishes for the personal welfare and happiness of yourself and Mrs. Tilley, and to assure you that such feelings are cordially entertained by all classes of the citizens we represent.

In testimony whereof the said Mayor, Aldermen and Commonalty of the City of St. John have caused the Common Seal of the said City to be hereunto affixed under the hand of this Mayor, the Tenth day of January, Anno Domini 1874.

THOMAS M. REED, Mayor.

L. BERTHA FERRIS, Common Clerk.

This Honor made the following reply: To His Worship the Mayor, the Aldermen and Commonalty of the City of St. John.

GENTLEMEN: Your kind congratulatory welcome, from the civic representatives of the chief commercial city of this Province, with which I have been so long connected in its social, and public political affairs, is most gratifying, and I can find no language strong enough to convey my appreciation of your continued confidence in me, in the new and responsible position which I now occupy.

As you remark, for nearly a quarter of a century I have been the Parliamentary Representative of this City, and during all that time, in the many changes which have taken place, I have sought its prosperity; and if my services have been valuable in any degree, it is to the kind and beneficent Sovereign who now occupies it, is not a mere sentiment but the conviction that in the discharge of this connection we have the best of our country, and that the welfare of the people is the welfare of the Empire.

From my earliest years I have been impressed with the importance and value of our connection with the Empire of which this Dominion forms so important a part.

Nearly a century ago my ancestors left another land, giving up many advantages, to their native soil, and in doing so, they were guided by the noble spirit which dictated the noble motto, which was made by our loyal forefathers still animates their descendants, and that devotion to the throne, and the best and beneficent Sovereign who now occupies it, is not a mere sentiment but the conviction that in the discharge of this connection we have the best of our country, and that the welfare of the people is the welfare of the Empire.

For the kindly reference to Mrs. Tilley, I thank you sincerely, and I trust that you shall ever be sustained by the good wishes and cheering words of the people of this our native Province.

After the reply the Mayor, Council, and city officials were presented to His Honor. A large number of citizens were also present occupying about an hour. When leaving the Council Chamber a salute was fired by a battery of artillery.

DR. J. WALKER'S California Vinegar Bitters are a purely vegetable preparation, made chiefly from the native herbs found on the lower ranges of the Sierra Nevada mountains of California, the medicinal properties of which are extracted therefrom without the use of Alcohol. What is the cause of the unparallelled success of VINEGAR BITTERS? Our answer is, that they remove the cause of disease, and the patient recovers his health. They are the great blood purifier and a life-giving principle, a perfect Renovator and Invigorator of the system. Never before has a medicine compounded possessing the remarkable qualities of VINEGAR BITTERS in healing the sick of every disease man is heir to. They are a gentle Purgative as well as a Tonic, relieving Constipation or Indigestion of the Liver and Visceral Organs, in Bilious Diseases.

The properties of DR. WALKER'S VINEGAR BITTERS are Aperient, Diaphoretic, Carminative, Nutritious, Laxative, Diuretic, Sedative, Counter-Irritant, Stimulant, Alterative, and Anti-Bilious.

Grateful Thousands proclaim VINEGAR BITTERS the most wonderful invention that ever sustained the human system. No person can take these Bitters accidentally destroyed and removed, and unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.

Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by oppressive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose, more powerful than VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter which clogs the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.

Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold until a system thus fortified.

Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Glands, Tightness of the Chest, Dropsy, Swelling of the Feet, Rheumatism, Gravel, and a hundred other painful symptoms, are the offspring of Dyspepsia. One bottle will prove a better advertisement of its merits than a lengthy advertisement.

Serofula, or King's Evil, White Swelling, Ulcers, Erysipelas, Swabs, Neck, Gout, Scrofulous Inflammations, Indolent Inflammations, Mercurial Abscesses, Old Sores, Eruptions of the Skin, Scabies, Itch, &c., in all other constitutional diseases, VINEGAR BITTERS is a tried and tested remedy, showing their great curative powers in the most obstinate and intractable cases.

For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.

Mechanical Diseases.—Persons engaged in Painting and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are liable to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS, and the system will be purified.

For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Itch, Scabies, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scabies, Disorders of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.

Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuge, no anthelmintic will free the system from worms like these Bitters.

For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the term of life, these Bitters display a decided influence that improvement is soon perceptible. Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it clogged and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
