### PRESIDENT'S REPORT.

GENTLEMEN,—The Managing Committee of your Society beg to hand to you their annual report for the year just closing.

The anniversary of St. George's Day was celebrated by divine service at the Cathedral, when an excellent sermon was preached by the Rev. G. W. Innis, to a crowded congregation, and the collection amounted to \$88. The Musical service was admirably performed by the ladies and gentlemen of the voluntary choir, conducted by Mr. Mills, F. C. O., the Organist, with his usual ability.

Our Charitable Committee have spent \$520.41. as will be seen by referring to their report, and have done a larger amount of good than for many years; the various steam-boat and railway companies making a heavy reduction in their fares when applied to for passages by the Society
