PREFACE.

Poetry is condensed thought rhythmically expressed. Only the cultured, as distinguished from the superficially educated, can enjoy and appreciate it.

Hence this work is not intended for the light and thoughtless, but for those having received a liberal education, reflect at times on the unrest of modern intellects and seek to learn something of its cause.

We venture to hope that such as these will find that new ground in Poetry has been broken. It is a very real modern life drama.
