

Our 

Thirtieth Annual Display

— of —

Holiday Goods for Import

will be ready

Monday, March the Twenty-Third

¶ We are confident the Canadian Trade will unanimously agree that we have this year assembled the brightest and most attractive range of moderate price novelties that has ever been imported into Canada. We certainly have a finer and larger variety than we have shown before, and you are cordially invited to visit any of the leading cities to inspect these samples. Displays will be made in the larger centres and you will be duly notified as in the past.
