Favours Initiation

With a majority of nearly 77% the Initiation plan, general, was approved by some 130 Freshmen who cast | their vote Monday in the Alex Common Room. Section B, the haircut item was defeated, not having a 2-3 majority, but most Frosh who contacted seemed pleased with the

results of the plebiscite. At the meeting that evering ? very small number of Freshmen were present, but those that were their carried on the true Freshman tradition of holding a fiery meeting. President Buchan kept every one in check and satisfactory results were

obtained. Jim Lawyer held full sway for ome time when he brought forth the design for the UNB crests and pennants that the CLASS of '51, '52 2. General:are planning to sell to all students small representation of the class for all Freshmen, except vetrans
