All of whom have contributed something to the Gazette at least once this year. Our apologies to anyone we've missed (or misspelled).
Keep those contributions coming!

submissions of art, poetry, opinions articles, and other writings for this supplement.

The final date for submissions is December 4th, at 4 p.m. Please bring them to the Gazette office, room 312, SUB. For more information, call 494-2507 and ask for Sam or Jen.

Hey, you! Yeah, you.

You think you're artistic, don't you?
Well, have you ever been published?
(Pssst! Don't look so embarrassed, here's yer chance.)

Take any of your great works of art, poetry and any other random artistic scribbles up to the Gazette office. The Gazette office, can be found in room 312 of the Dalhousie Student Union Building.

You might not get your stuff back (you might want to make a copy to give us), but it is entirely possible that you will be able to see it in print... and then you can brag to all of your friends that you have been published.

And won't you rule then?
